Dear parents and caregivers

As the school year has already begun with gusto, we hope that life at home has reverted to school year routines. It was wonderful to see parents at the primary information nights and we hope to see many also at the secondary (8-11) information evening next week. Parents of Year 12 students may note that a separate evening has been scheduled in Week 4, where students and at least one parent attend to address important issues and challenges for their final year.

Students’ success has always been the agenda of families and schools and is now part of the Australian Government agenda as they move towards establishing a national curriculum. Part of the education portfolio has been the move towards public sharing of student achievement through the Myschool website launch last week. School profile is based on the socio-economic status of the student population as this is seen by research to be a precursor to individual achievement, with family being the first grounding and influence for success. The Samaritan profile is one of a country school, who caters for a diverse population right across the city, where we reach to the most needy of families through a tiered fee system as well as those who can readily afford to support their right to alternative education. As such, the school has been given an “Index of Community Socio-Educational Advantage (ICSEA) score of 976, which places it with ‘like schools’ such as Findon in Adelaide. This, invariably, means little in our local context, but does highlight the range of abilities and learning needs that we endeavour to support and reveals that we are not confined to catering to a distinct section of the community but rather a cross-section of the whole of Whyalla. In fact, if we were compared locally according to the ICSEA score, the belief of ‘wealthy private and exclusive school’ is an urban myth. The ICSEA score reinforces the catholic ethos of providing quality education for all families, regardless of stature.

Since amalgamation, our goal has been to improve and enhance curriculum delivery and strengthen learning opportunities for our students. As a result of the NAPLAN data from 2008 and 2009 we were pleased to see generally positive outcomes in literacy, but alerted to the concern that students in middle school needed additional reinforcement in numeracy. Thus we implemented initiatives such as the Quicksmart Numeracy Intervention Program and increased the professional development of teachers with the expansion of the Numeracy Project. We anticipate that as we widen the Quicksmart Program onto Year 8, in 2010, we will continue to address the issues that a minority of the students struggle with in Mathematics. In addition, along with many schools, National Partnerships funding has been allocated to the primary sites to work with Year 6 and 7s on reading skills. We hope that the ultimate outcome of the Australian Government agenda is for assistance to schools, particularly regional schools who grapple with staffing, resourcing and demographic challenges. We encourage parents to take a proactive approach through lobbying for positive agendas in national education improvements, rather than the deficit response often posed in the media.

One area of national support has been the Building Education Revolution (BER) that has afforded the primary sites with science refurbishment and the whole College with the community gymnasium. The transportable buildings have been moved during the holidays to prepare for building operations midway through the year. Our building program was put on hold at the end of last year as the BER appears to have over-stimulated the economy, forcing the government to withhold funds for a period of time. We look forward to seeing some activity late in Term 2.
Welcome! from everyone at Samaritan College

We welcome all new staff, students, and their families to our community and trust they have a long and happy association with the College.

Staff
A community called to be God’s people, here in Whyalla

Last Sunday, our parish conferred a blessing on many members of the staff of our College, both teaching staff and ESOs. The readings of Sunday’s Mass led us to reflect upon the holiness of our call from God. Each one of us is invited by God to that wholeness of life wherein we gradually begin to see the dignity of our being, and the privilege of our role in God’s plan. Every part of our work is to be invested with love, which is the greatest of all the gifts.

As with the call from God to Jeremiah the prophet, and as in Jesus’ own experience at Nazareth, we see that the work we have been given to do from God will sometimes encounter opposition and criticism. At times this opposition may come from our own hearts, as our own selfish will tries to displace God’s loving will.

At these times, the word says, we recall God’s promise, “I myself will be with you to deliver you!”

As a Parish Family, we dedicate ourselves once again, in this new year of grace, to love and pray for our community of Samaritan College, in the staff, the students and the families.

REMEMBERING HAITI

We remember those affected by the tragedy in Haiti. We offer thanks to the College community who supported our fundraiser last week where we raised $1760 to aid those in need. Students have been reflecting on the tragedy:

Dear God,

We pray for the people of Haiti who have lost their homes and all their belongings from the earthquake. Also we keep in our prayers those who have lost family members and friends. Grant internal peace to those affected, especially the innocent children, grant your healing care to the sick and injured. For those who have suffered destruction of their homes and their lives, give them the strength to rebuild their future. Bless those who are giving their helping hands to those in need of food, shelter and clothing. Spare us from any natural disasters and devastations.

Amen

(by Hannah, Taela and Shelby)

May we continue to be blessed with students who strive to be socially aware and motivated to compassionate action.

SCHOOL FEES

School fee statements will be sent out this week and they will include a payment intention form. This form should be completed indicating your payment option and returned as soon as possible.

Note: All fees should be paid in full by the end of November 2010 unless paying by an approved plan.

If you complete the credit card payment option the form provides authorisation for the College to make the necessary payments at the regular time frame selected. Please note that an authorisation should be completed each year.

American Express is not an authorised payment method and if you have been using this type of card I ask that you contact me.

School Card and Tier 2 fee remission forms also need to be completed on an annual basis and should be returned early to enable the necessary approval and adjustment to accounts. These forms are available at any campus office.

Should you require any further information on any of the above please contact me on 8649 2077.

Thank you

Welcome to 2010. I trust that your holidays were both enjoyable and a relaxing time with your family and friends. A very special welcome to all those families who are new to our community!

**Liturgy of the Word**

For 2010 Liturgies of the Word in the Church will commence in Week 3. We have decided to change the Liturgy time from 2:45pm to 12:30pm on a Thursday. Reception/Year 1 Hancock have the pleasure of presenting the first Liturgy of the Word for 2010. You are most welcome to attend on Thursday, February 11 at 12:30pm in the Church.

**Foyer Display**

This week marks the beginning of our fortnightly Foyer Displays in the Front Office for 2010. We have a fantastic Foyer Display presented by Year 5/6 Thiele featuring 'What Samaritan College means to me?' Come along and read what the students have written.

**Policy for Students Leaving the Campus during School Hours**

Please be reminded of the school’s policy for students leaving during school hours. All students who have appointments during school hours must bring a signed permission note from their parent/guardian and give it to their teacher. Students will then be sent to the front office by their teacher at the appropriate time to await pick-up by the person named in the note. Parents/Caregivers will need to sign a student release form before the student can leave the school property.

Thank you for your cooperation in keeping our students safe at all times.

God Bless

**Premier’s Be Active Challenge**

Late last year Samaritan College received sports equipment from the Premier Mr Mike Rann for student efforts in the ‘Premier’s Be Active Challenge.’ Many students wrote personally to the Premier thanking him for the generous gift. He responded with his appreciation for their recognition of his gesture.

In his letter dated 19/11/2009 he responded:

“I write to thank you most sincerely for your letter together with the letters from your students who have participated in the Premier’s Be Active Challenge during 2009.

I was genuinely touched by this kind gesture and read with much interest about the various sports your students enjoy.”

**Car Park Reminder**

A REMINDERS: to parents dropping off and picking up students in the rear car park, to be aware of students walking down the strip between the car parks, especially when reversing.

Students are not to be dropped off or picked up by car from the Front Office Car Park before and after school for safety reasons, however, you are able to use this car park if you need to come into the Front Office during school hours.

The Dentist car park in Toal Street is not to be used by parents of the Campus as this is a private car park and you could be fined.

Thank you for keeping our students safe.

Welcome back to a new school year. We trust you all had a relaxing break and we give thanks for the special family time we may have had over the Christmas season. We have had a smooth start to the term and all classes are settling back into routines and teachers are working hard to put their carefully planned programs into practice. Please be sure to make contact with your child’s teacher early this term to open effective channels of communication. If you did not make contact last Tuesday evening please make a point of meeting with your child’s teacher. Good communication is one essential element for your child’s success at school.

Bernie Meixner Lou Whitehouse
CAMPUS COORDINATORS

Welcome back and a special welcome to our new staff and students and their families who join Samaritan College in 2010.

Unlike the start of the school year in 2009, we have had fairly mild temperatures to contend with and this has allowed the school year to start in a relatively standard manner. What is the same from 2009 are the amount of forms that need to be read, signed and returned to the College ASAP. These are very important and must be returned within the next few days.

The ‘action’ begins immediately at the secondary campus with classes already on excursions, preparing for the Murray Venture or training for the Spencer Gulf Athletics Carnival – which we will be hosting this year.

I recommend the College diary as a good source of information for most matters relating to College life and your child’s caregroup teacher is also a wonderful first point of contact. An opportunity to meet your child’s caregroup teacher and other staff will occur next week on February 10 at 7:30pm, although, by appointment, staff are available most other times. The College calendar also outlines when many key events occur, many, many more get added as the year progresses. The calendar was sent home earlier this week with your child. The updated calendar will be added to the website next week.

HEADLICE

The return to school has unfortunately brought with it an outbreak of head lice in Year 9. We ask that all parents check their child’s hair for eggs or louse and keep your child at home to be treated if needed. All chemists provide good advice on the treatment protocol.

Good luck for 2010.

YEAR 11 LEADERSHIP AFTERNOON

The Year 11 Leadership afternoon will be held next Tuesday, February 9, starting at 2:30pm until 4:00pm.

The main purpose of this gathering is for students to mix in and out of the class environment, look at leadership, what it entails and to recommend nominees for the 2009 Student Council.

As this is a year level event, it is compulsory that all Year 11 students be present. Students who are involved with outside school commitments (ie: work) are expected to make prior arrangements as soon as possible in order to attend the afternoon.

If you have any problems or concerns please do not hesitate to contact me at school.

Thank you,

Jade Vanzo

NEW SACE UPDATE

Welcome to the new academic year! 2010 heralds the official start of the New SACE, a re-vamped version of the South Australian Certificate of Education that has been operating since 1992. Last year’s Year 10 students gained a head-start on the SACE by undertaking the Personal Learning Plan (PLP), a model we will continue to use with this year’s Year 10s. Of course, students in both year levels will continue to receive relevant information about the SACE and future study and career pathways throughout the year from their teachers; but as senior students we also expect them to take more responsibility for their learning and the pursuit of their future ambitions. Given this, all Year 10 and 11 students have been provided with a copy of Achieve, a SACE Board magazine providing information on the SACE, Uni and TAFE pathways and trade careers.
Students and their parents/caregivers are encouraged to read the magazine to enhance their understanding of the SACE and the wonderful post-school options that await our young people. Additional copies of Achieve can be obtained from the SACE Coordinator, Tanya Gibson.

MUSIC FACULTY

INSTRUMENTAL / VOCAL TUITION PROGRAMME

Instrumental and vocal music tuition will be offered to all students in 2010 from visiting specialist teachers and tutors. The College will aim to provide opportunity from the instruments listed below. Those students taking Music as an elective subject are strongly encouraged to take up instrumental tuition either through this offer or by other, private means.

- **Brass:** Trumpet, Trombone
- **Woodwind:** Flute, Clarinet, Alto, Tenor or Baritone Saxophone
- **Percussion:** Drum Kit
- **Others:** Voice, Acoustic/Electric Guitar, Bass Guitar and Piano

During the school year, students undertaking instrumental/vocal tuition will do so on a cyclic timetable. This means that their weekly lesson (of 30 minutes) will always fall on the same day but at a different time each week. Lessons will occur during normal school hours or after school (finishing at 4pm). Students will be given their own personal timetable.

Students who undertake tuition are committed for a whole semester (2 terms). This provides opportunity to develop skills, technique and musicianship – and for our school to maintain the services of our private fulltime tutors. If, after a semester, students feel unsuited to their instrument, they may change in consultation with the Music Coordinator.

Tuition fees for 2010 have been fixed at:
- Semester One FEE $342 (equivalent to 19x $18 lessons)
- Semester Two FEE $342 (equivalent to 19x $18 lessons)

If you would like your child to learn an instrument or voice at the College, please collect a consent form from the office and return to Miss Cafcakis as soon as possible.

2010 lessons commence the weeks of:
- Term 1: February 8
- Term 2: April 19
- Term 3: July 19
- Term 4: October 11

I hope you will join with me in helping to develop a stimulating and active Music Department by participating in the instrumental/vocal tuition programme. Further information regarding the benefits of studying music is available, upon request.

With best wishes,
Alexia Cafcakis
CREATIVE ARTS COORDINATOR

At times parents may wish to make contact with the school about a range of issues. We encourage open communication at all times. Below is a general guide about who to contact in order of the first instance:

- Subject or lesson related issue – Class Teacher or Faculty Coordinator
- Pastoral care issue – Caregroup Teacher or Year Level Coordinator
- More serious incidents or discomfort with above points of contact – Campus Leader/Principal

SPENCER GULF SPORTS DAY

Every four years we host the Spencer Gulf Championships and this year it will be held at Bennet Oval, February 26 (Week 5). Athletes from Caritas College in Port Augusta, Saint Joseph’s in Port Lincoln and St Marks in Port Pirie attend. From this event, a squad is selected to compete in Adelaide. There will not be any formal lessons held on this day. All Year 11 students will be involved in the event, either as athletes or officials. Year 12s are encouraged to make use of the day engaging in study at home or at school. A number of teachers will be rostered to support them in private study at school. The Year 8 – 10 students may attend the championships, but must wear PE uniform and be present for the entire event – there will not be pass-outs issued. Alternatively they may remain at home. If parents require their Year 8 - 10 child to attend school, we ask that you notify reception ahead of the day so that we can ensure adequate supervision of private study. If you have any questions, please do not hesitate to contact 86458 568.

VOLUNTEERS NEEDED

The Spencer Gulf Sports Day in particular, presents a unique opportunity to display not only the students sporting talents with a “home ground” advantage but also demonstrate our sense of the Samaritan College community to others within our diocese.

To make the day a success, we rely greatly upon the assistance from the parents and friends of Samaritan College. Therefore, I encourage any parent/guardian to become involved in the school community. As “many hands make light work”, volunteers are required for jobs such as assisting as sports officials on the day, morning setting up of equipment and assistance with catering, etc...

If you are interested please provide your information below and return to the College through your child’s caregroup teacher. Your support and involvement with any aspects of this event would be greatly appreciated. At any stage you wish to contact myself or any members of the Sports Committee, please don’t hesitate.

Thank you in anticipation.

Update on Calculator Orders

As per letters sent out at the end of last year, calculators ordered through Abacus Calculators would have arrived in Week 1. Unfortunately there has been a delay in Abacus receiving their stock from the manufacturers in China. The calculators will be distributed as soon as they arrive.

More information on competitions will appear in next week’s newsletter.

JUNIOR SCIENCE HELP

Science Help for students in Years 8-10 will be held on Wednesday afternoons 3:30-4:30pm in the library. Science Help is an opportunity for students to complete homework and assignments in an environment where a member of the Science Faculty will be on hand to assist with any queries.

Throughout the year students may be asked by their Science teacher to attend a Wednesday session to catch-up on work missed through absence or to assist in understanding the concepts covered in class. If this occurs a letter will be sent home informing caregivers of the details.

Assistance for Stage 1 and 2 Science subjects will be organised by individual teachers.

SCIENCE COORDINATOR

MATHS HELP

Maths Help will commence on Tuesday Week 3 (9 February) in the Library from 3:45 pm to 4:30 pm. This is an opportunity for all students, junior (Yrs 8-10) and senior (Yrs 11-12), to get assistance with homework and assignments, and to revise for upcoming tests and exams knowing that there is a teacher available to help. This is also a good way of catching up on work missed due to absence and the Internet facilities of the Library can be used to complete set Mathsonline work or to access interactive websites such as Scootle.

CALL FOR NOMINATIONS

**COLLEGE BOARD:** There are 6 positions available on the College Board for a 2 year term. **(with a maximum of 3 consecutive terms)**

The responsibilities of parents elected to any of the above positions are great. Membership of either the interim Board or Parent Community executive involves a significant commitment in terms of time, energy and enthusiasm. At the same time the College values highly the efforts of such people and their involvement also brings its own rewards. No particular experience or skill is necessary.

We warmly welcome nominations from anyone who believes they have the enthusiasm and time. Parents should feel free to nominate others or themselves. If nominating another person please have them sign the form as an acceptance of their nomination.

Please return all nomination forms to Ms Karen McGinnis, College Board Secretary, at Saint John’s Campus by Wednesday February 17.
