TUESDAY, MARCH 2
- Opening Mass

Dear parents and caregivers,

On Tuesday, March 2 (Week 6) we will celebrate the beginning of the school year through our Opening Mass, to be held on the secondary campus oval. We are most fortunate to have Bishop Greg O’Kelly celebrate the Mass and commission our school community. All family and friends are very welcome to come along, with extra shade and seating organised to accommodate everyone. Celebrations are an integral part of life, whether it is in families or communities; they bring people together and give us the opportunity to pause and thank God for the blessings we share. At the Mass, we will launch the theme for 2010, and afterwards celebrate our oneness and desire to reach out with House Presentations. The sausage sizzle during the recess break will also feed the thousand. The Mt Laura Lions Club will be so generously providing their services to assist with such a significant task, however, we will also need helpers for boxing up class serves and distribution. Please complete the tear off slip on page 2 of this newsletter if you are able to assist.

In the coming weeks as part of the lead up to the Mass, the students, in their various Houses, will need to be dropped at a designated campus at the beginning of the school day for a dress rehearsal of their R-12 House presentations, on Wednesday, February 24. Benedict will practise at STC, Rice at OLHCC and MacKillop at SJC. The students will be bussed back to their respective campuses after their morning of rehearsal. Letters and transport notes will be distributed shortly. Although a logistical challenge, the students are already underway with their preparations, choreography and excitement for creating something quite dynamic and unique.

This Monday, February 15 we have our first Parent Community meeting, to be held at OLHC Campus at 7:30pm. We encourage new parents to come along and get involved in what goes on at your children’s school. Being a part of the group does provide insight into the happenings of the College and the whys and wherefores of events and activities. Another great opportunity for involvement is on the Board. We are repeating the call for nominations in this week’s Newsletter. Please either nominate a friend or yourself for this important contribution to the governance of the College. All nominations are due by Wednesday, February 17 to enable voting organisation for the AGM on Thursday February 25. Desiring to re-ignite discussion and progress of the amalgamation goal of consolidating campuses, we urge interested and committed people to be significant contributors to school improvement.

The festive season of Christmas has passed and we have moved into the Sundays in Ordinary Time, but the next Season in the life of the Church is fast approaching – that of Lent. A Season of six weeks which enables us all to reflect upon the mystery of Jesus’ Passion, Death and Resurrection.

It is a shame that we see Easter eggs and hot-cross buns in our supermarkets already but we can ignore this and enter into the solemn season of Lent which begins on Ash Wednesday, February 17.

During our Lenten time we are encouraged to fast, to pray and be generous in sharing the many gifts that we have with others who are not so fortunate.

One way of praying is to join a Lenten group that will meet one day or night each of the six weeks of Lent. The group reflects upon the Gospels for each of the Sundays in Lent. There are several opportunities to do this. If you wish to join a group you can ring one of the parish offices and find out where they are being held.

We also encourage you to pray for the members of our community who will be baptised into the Church at the Easter Vigil this year. Lent is a good time to recommit ourselves to the promises that were made for us at our Baptism.

Have a good week.

One night a man had a dream. He dreamed He was walking along the beach with the LORD. Across the sky flashed scenes from His life. For each scene He noticed two sets of footprints in the sand. One belonging to Him and the other to the LORD.

When the last scene of His life flashed before Him, he looked back at the footprints in the sand. He noticed that many times along the path of His life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times of His life.

This really bothered Him and He questioned the LORD about it. LORD you said that once I decided to follow you, you’d walk with me all the way. But I have noticed that during the most troublesome times in my life there is only one set of footprints. I don't understand why when I needed you most you would leave me.

The LORD replied, my precious, precious child, I Love you and I would never leave you! During your times of trial and suffering when you see only one set of footprints, it was then that I carried you.

**Back To School Guide For Parents**

*Going back to school after holidays can be tough. Here are some tips to help manage the stress:*

- Get back into routines with no more late nights or late mornings
- Set a bedtime and stick to it
- Practice the school routine every day in the same order (go to bed, get up, dress, eat breakfast, brush teeth, and be out the door at the same time each day in order to be on time for school)
- Prepare with your child what you can the night before (clothes, pack lunch, pack bag, etc)
- Try to help your child get excited about school (see friends they haven’t seen all holidays, tell a favourite teacher about the holidays)
- Talk to your child about the fun activities they are doing and the new friends they are making

*A new school year, a new class with a different teacher and new classmates bring new worries for children*

- Respond to signs of anxiety by talking to your child about school concerns
- Make time to listen to your child when they want to talk
- Help your child to understand that no one is good at everything
- Praise your child for positive efforts

*Tips provided by the School Counsellors*

**COMPUTER CORNER**

‘Think before you post’ was the theme of Safer Internet Day, February 9, 2010, the international cybersafety event supported in Australia by the Australian Communications and Media Authority.

Internet safety is of concern to all parents as our children become more involved in online activities. Even if you do not have internet access at home your children may be exposed at a friend’s house. At school they are safe as the College has a safety net through the Catholic Education Office. Even the use of inappropriate language by students on the internet, will be picked up in Adelaide and the campus informed.

Parents need to be informed too. There are several sites to help:

*Cybersmart - Parents*

*Family Contacts for Online Safety*

http://www.safekids.com/family-contract-for-online-safety/

*Raising Children Network*

**SCHOOL FEES**

School fee statements were sent out last week and they included a payment intention form. This form should be completed indicating your payment option and returned as soon as possible.

Note: All fees should be paid in full by the end of November 2010 unless paying by an approved plan.

If you complete the credit card payment option the form provides authorisation for the College to make the necessary payments at the regular time frame selected. Please note that an authorisation should be completed each year.

American Express is not an authorised payment method and if you have been using this type of card I ask that you contact me.

School Card and Tier 2 fee remission forms also need to be completed on an annual basis and should be returned early to enable the necessary approval and adjustment to accounts. These forms are available at any campus office.

Should you require any further information on any of the above please contact me on 8649 2077.

Thank you

PREMIER’S READING CHALLENGE
A Government initiative which is in its 7th year, the Premier’s Reading Challenge is a program designed to promote literacy levels in all children. The challenge is for all children to read 12 books before Friday September 3, 2010. The books they read must be a challenge to them personally and 8 of the 12 books must on the approved PRC list.

The website is a great resource tool for searching for books on the list. The home page allows children to commence searching for books they would like to read to see if it’s approved (as long it is spelt correctly). It also allows them to browse for new books to read according to interest categories.

The website is: www.premiersreadingchallenge.sa.edu.au/
After the challenge has finished and all data entered, all children receive (in November) an incentive award. It depends on the number of years they have completed the challenge as to the award they receive.
1st year – Certificate
2nd year – Bronze Medal
3rd year – Silver Medal
4th year – Gold Medal
Whilst it still feels the school year has only just begun and some students have had a few lessons of certain subjects and teachers, Week 3 is normally when students finally realise the holidays are finished and that teachers are suddenly expecting major assessment pieces to be completed. As we move through this early stage of Term 1 there are some key reminders and events to take note of:

Subject Changes: students, especially seniors, need to be making their final choices about which subjects they intend to be in for 2010. This is very important for Year 12s who get ‘locked in’ to their subjects within the next week. Students need to think very carefully about the impact of swapping subjects at this stage of the year. Mr Lyons is able to help in this area.

Year 12 Parent Night: whilst the parents of Years 8-11 students met the staff last night, this coming Thursday is for the parents of Year 12 students to informally meet the Year 12 teachers. This will commence at 7.30pm in the College lecture theatre.

Ash Wednesday: a key celebration of the College next week, both from a religious aspect but also on this day we will be acknowledging the top 5 TER achievers from 2009, induct the SRC for Years 9-11 and launch Caritas Australia’s appeal for 2010. This event will begin at 9am on the College Oval. Parents and parishioners are most welcome.

Supervision: a reminder that students are not supervised before 8:20am each morning at this Campus. It is preferred that students do not arrive in the College grounds until that time.

We wish the Year 8s well on their camps next week.

5th year – Champion Medal
6th year – Legend Medal
7th year – Hall of Fame parental permission will be sought at a later date to have child’s name published on the website.

Reading has commenced for the Premier’s Reading Challenge for 2010. I am recording books and authors for all R/1 and 1/2 classes – they just need to bring a library bag each week. For all 2/3 classes and above, the onus is up to them to record this information in the front of their Library Skills book (before it gets transferred to their sheet). Please monitor their progress in this area, ensuring they are not re-reading books and that the books are a challenge to them.

They can go above and beyond the 12 books – last year we had one student read 300 books!!

In addition, we have commenced work on the Design-A-Badge Competition which we have run for the past 3 years. Once voting has been completed for all the children’s entries, the children will have a choice of 3 winning badge designs in their age category as an immediate award for completing the challenge.

Feel free to come and see me at the library should you have any concerns or queries.

Our aim this year is to beat 92% of all children at our campus completing the challenge!

ENGLISH STUDIES

In Year 12 English Studies much of our time is spent analysing texts and writing essays. Last week, however, we devoted some time to creative writing. Whilst learning about narrative structure students were given the task of writing 50 word stories on either Humpty Dumpty or Little Miss Muffett. Some of these tales are included here for your perusal.

The wall stood high. Humpty had sat on it many a time. Today the wind blew. The wall swayed. Gush! Humpty managed to save himself with slippery egg fingers. Gush! He fell, now to his cracking demise.

The kingsmen, after nugatory efforts to revive, enjoyed a home-cooked omelette for brunch.

Megan

One day, Little Miss Muffett took her tuffet outside, under a tree and settled down with her curds and whey. But Muffett noticed a HUGE, black, hairy spider pinching it’s venom-dripping pincers at her! Muffett screamed, spilling her porridge and running from her tuffet. Muffett never ate outside again.

At the same time the College values highly the efforts of such people and their involvement also brings its own rewards. No particular experience or skill is necessary.

We warmly welcome nominations from anyone who believes they have the enthusiasm and time. Parents should feel free to nominate others or themselves. If nominating another person please have them sign the form as an acceptance of their nomination.
