Dear Parents/Caregivers,

OPENING CEREMONY

Today we celebrated the culmination of three year's work with the Building Education Revolution school hall and science refurbishment opening. Unveiled by Senator Alex Gallacher and blessed by Bishop Greg, the buildings are highly valued by this community, as the impact these facilities have for potential student opportunity, will be measured for many years into the future. Any capital developments come with much hard work, a lot of it happening in the background, well before announcements are made. We thank the College Board, Science and Physical Education staff, clerical support staff, Business Managers Geoff Cooke and Terry Costello, the College Leadership Team, the Port Pirie Diocese and the Australian Government for assisting in making these developments a reality. We also thank our staff who assisted with making the ceremony so special today. Our music staff, Pierre Visser and Julia Anntila; Hospitality teacher, Katherine Hannon along with their students; Bernie Meixner for planning the ceremony and John Lyons for operations and acting as Master of Ceremonies.

STUDENT SURNAMES

You may notice that sometimes in the newsletter we refer to a student by their first name only or with only the initials of their surname. This is a privacy requirement that parents have opted for. In some cases, however, it is simply because we do not yet have the signed permission form allowing us to use the student's full name. If you notice your child's name does not include their surname then this may be the reason.

REPORTS AND PARENT/TEACHER INTERVIEWS

By tomorrow every student on the secondary campus will have received their mid-semester progress reports. Please note these are progress reports and are based on the evidence presented by the student at this point in the year. Formal grades that indicate a completion of a semester's work, come home late in Term 2. Please note that a P/T Interview booking sheet for interviews NEXT week has already been sent home.

SLIDES

Thank you to the friends of the College who have volunteered to help convert our slides library into digital formats. We are still seeking some more assistance. Please contact the Saint John's Campus if you can help.

REUNION INFORMATION

We encourage you to check the website: whyallacatholiceducationreunion.com so that you can register and book for the Cabaret dinner on Saturday night. Please seek out friends and invite them to join you for the celebrations on the June long weekend. Please see the advertisement in this newsletter.

**PARISH NEWS**

Greetings, as we move into autumn and acknowledge the beauty of God's gifts to us in creation – the rising and setting of the sun, the light and warmth it brings and the touch of the gentle breeze to bring joy and wonder to us in our every day lives.

Our Gospel for this, the 5th Sunday of Lent also speaks of creation. Jesus says “unless the grain of wheat falls into the ground and dies, it remains but a single grain, but if it dies it brings forth much fruit.” John12:24. During Lent we have been looking at our lives and focusing on our relationship with God, with ourselves and with others. We have done this by finding time for God in prayer; by looking at ourselves and the ways we can die to selfishness, greed, lack of forgiveness, pride and prejudices; and by reaching out to our neighbour through giving generously to Project Compassion. In this way we are endeavouring to go into the depths of our hearts so that at Easter we will be open and receptive to Jesus risen from the dead and offering us new life!.. God through Jesus delights in the efforts we have made during Lent to draw closer to God and to make this world a better place - a place of peace, hope, forgiveness, joy and love.

This poem 'The Spirits Garden' by Noel Davis sums this up for me.

Seeds sown in the night nurtured through the day sprout in their own time and thrive with our attending. We are the Spirit's garden the Spirit's delight the blooms and fruits of being open and attentive to each day's encounters.

Next Sunday is the beginning of Holy Week. Let us join together in celebrating this the greatest week of the Church year by attending the ceremonies of Palm Sunday, Holy Thursday, Good Friday, Easter Vigil or Easter Sunday and saying to our Whyalla community JESUS IS ALIVE!

**HISTORICAL SLIDES**

The College has 1000s of slides dating right back to the opening of the Saint John’s Campus in 1963. We would like to convert these to a digital format.

We are seeking volunteers who are willing and able to do this. It would require having your own computer and the device that scans slides onto the computer and of course, a spare few hours or so.

Please leave your name and contact details at the secondary campus if you can help. It would only take a handful of volunteers for this to be done.

**RELIGIOUS DIMENSION**

As part of the Lenten journey I travelled to Port Pirie on Tuesday to participate in the Chrism Mass at St Mark’s Cathedral. Verity Kenny and Lee McCann travelled with me and we watched as the oils, that are used in various sacraments over the liturgical year, were blessed and then distributed to the various parishes in the Port Pirie Diocese. The cathedral was full of people from all over the diocese and it was a wonderful opportunity to be part of the celebrations.

Last week our Year 12 cohort participated in their final retreat at the College. Participating in a retreat is a chance to explore our relationship with God, others and ourselves. The Year 12s were given the opportunity to look at their ‘road of life’. To examine where they have been, where they are right now and where they want to go in the future. It was a great opportunity to witness these young adults participate willingly in the activities. Thanks go to Mrs Jenny Theologou and Marion for feeding us; Ms Yvette Agars and Mr Bernie Meixner for their tireless work in putting the ‘logistics’ of such an endeavour in place; and to Father Brian for helping us finish our retreat of in a deep and meaningful way. Thanks must also go to the teachers who accompanied the students: Ms Lisa Howard, Mr Matthew Quist, Mr Robert Shaugnessy, Mr Pierre Visser and Mrs Terissa Shepherd.

In Week 7, at the first of four seminars on a variety of topics, the Year 12s were given the opportunity to listen first-hand to the Catholic Church’s view on issues around the sacraments of healing. We thank the Parish team for sharing their insights with us.

May I take this opportunity to wish you all a safe, reflective and happy and holy Easter.

*Christine Duffield

DIRECTOR OF STUDENTS (SJC)

**PROJECT COMPASSION**

As Lent draws to a close so too does the Caritas fundraising program known as Project Compassion. If you have been collecting at home, donations can be brought to any college office. Alternatively your donations for Project Compassion can go to the Parish office on Wilsdon Street. Project Compassion raises funds and awareness to worldwide poverty and seeks to provide skills and programs to help impoverished communities to help themselves.

Tickets go on sale on April 23

Please check the website above for further details.

The reunion is barely two months away. Interest is growing and many of you are now ready to commit.

The crucial commitment is the dinner, where bookings and payment is essential.

Tickets will be available for purchase on Monday, April 23 via any of the three campuses.

Alternatively payment form and information will be available to download off our website closer to the date.

If you have responded via RSVP on our website you will receive all this information by email shortly.

Tickets are $55 each.

Tables of 10 are available but must be secured by payment. We will endeavour to place individuals on requested tables where possible.

Not sure if any of your school mates are coming?? Do your bit to encourage others to be a part of this great weekend.

UNIFORM CHANGE

Next term we move into winter uniform, with a two week phase-in time to allow for variances in the autumnal weather. The Uniform Shop is open all day on the pupil free day, Monday, April 23, from 8:30am until 4:30pm.

Please do not leave your purchase until the last half hour as they may be extremely busy. It is timely to remind parents that all children need to be wearing the black leather lace up school shoes, with the exception of our small Reception/Year 1-2 students who can wear velcro fastening or buckled designated school shoes. By this we mean what the shoe shops refer to as official school shoes. Black track and field runners, ballet shoes, soft May-Janes, etc, do not fit within this category. **Once students move into the formal uniform from Year 3 they all need to be wearing lace-up designated school shoes.** Please support this uniform policy to avoid embarrassment.

It is surprising and hard to believe that Term 1 is coming to an end. It certainly has been a busy and productive term for staff and students, with camps, carnivals, assemblies and liturgies just to name a few.

**PARENT/STUDENT/TEACHER INTERVIEWS**

During the last two weeks, teachers, parents and students have strengthened the partnership between home and school through engaging in parent, teacher and student learning conversations. The rich dialogue and sharing enables parents, students and teachers to evaluate learning and set goals for the remainder of the year. If you have not made a time to talk with your child’s teacher, please contact the campus offices to make a mutually convenient appointment.

**SAPSASA STATE SWIMMING CHAMPIONSHIP**

Earlier this week, 12 primary aged students represented Whyalla in the SAPSASA State Swimming Championships held at the new SA Aquatic Centre. Students participated in all age groups and Whyalla was represented in most finals during the course of the day.

The Whyalla team comprised of 10 Samaritan college students: Sarah and Taylah Stirling, Dewald and Simon Geldenhuys, Mathew Hancock, Meg Sheasby, Mitchell Schwerdt, Madeline Edwards, Dominic Tidswell and Sam Custance. Congratulations to all these students for their overall involvement in the championship. They represented Whyalla with pride and displayed excellent team spirit.

A special mention and congratulations to three particular students for their outstanding achievements:

- Simon Geldenhuys won gold in every event for his age group. He also set a new record in the Open Boys 50 metre Backstroke.
- Mitchell Schwerdt won gold in the 50 metre Breaststroke.
- Sarah Stirling finished second overall (Girls 9 years old) in the SA Swimming Junior Excellence Pentathlon event at the Aquatic Centre on the Sunday.

I would like to take this opportunity to thank Estelle Geldenhuys, as the Team Manager of the Whyalla Squad and to all the parents who supported the students in this event. Thank you to Donna Sheasby for providing the information about our student’s achievements in these championships.

**THE ARTS**

The Arts programs this year have begun in earnest with students auditioning for the Musical – ‘Annie’ and participating in the Adelaide and Whyalla Choirs and Primary Band. The student talent and responses have been overwhelming. Being involved in these programs each year does involve quite a lot of commitment and dedication. As part of the curriculum the students are enriched by these experiences and look back with fondness in years to come.

Winnie Fitzgerald, Melinda Gray, Kerri Smith and Julia Anttila are to be congratulated for all their hard work and dedication in this curriculum area.

**END OF TERM 1 REFLECTION**

I take this opportunity to thank God for the blessings on our College community.

I thank God for the beautiful smiles on our students faces each day. The excitement they bring each day to school, they way they care for each other and care for our staff. To see so many of our students excited to be at school, part of a loving, caring community is heart-warming to say the least.

I thank God for the gift and talents that our teachers and support staff have brought to our College in Term 1. Teachers and support staff who work in schools are people who often give so much of themselves every day. Their rewards for their extra commitment is seeing students progressing in their learning, the close, caring relationships they develop with students and feeling part of a community that promotes the Mission of our Catholic Church in the world.

I thank God for the many volunteers (parents, caregivers and grandparents) who have come out of their way and persisted with the paperwork to become ‘Registered Volunteers’. Your commitment to our college shows how much you value what is happening at our school. As you value being with us, helping in classes, helping with events, helping with sporting teams, helping with LAP, helping with fundraising, helping on different committees and so on, you provide a depth of activities and opportunities for many of our students. Students value what they are doing at school as they are witnessing first hand so many adults who give of themselves each day for the common good of our school.

As we come to the end of this busy term, I wish all families a very blessed, Holy and safe Easter. Enjoy the holiday break. Take time to be with your family and loved ones.

Yours in Faith, Wisdom & Compassion,

Eleni Vailas
DEPUTY PRINCIPAL

**EASTER LITURGY**

Next Thursday, April 5, all primary campus students will need to be dropped off at Saint John’s Campus by 8:45am. All the primary students will assemble to watch the events of Holy week performed by 9 classes from the primary campuses. These classes have been rehearsing in Music and Drama with Mrs Fitzgerald and Ms Gray. There is a rehearsal for the performing classes on Wednesday, April 4. Please refer to the note sent home earlier this week.

**FIRST EUCHARIST**

Preparations for the Sacrament of First Eucharist begin next term. Families who participated last year in Reconciliation will be sent a letter early in the new term. If you are new to Whyalla or wish your child to be involved in the sacraments this year please contact myself at the College.

Canteen duty - St Teresa’s Campus, 5 – 7pm.

OLHC Minkey and U11 team could really use a few more players. So if any students are interested, please come out to training on Monday nights to have a try, or come on Friday nights to watch before you decide.

This week’s games are the last for the term (due to Easter and school holidays). Games will resume after the holidays.

**HARMONY DAY**

Last Wednesday, March 21, both primary campuses celebrated Harmony Day. Our Harmony Day dress up themes ‘Sport’ and ‘Orange’ was to recognise the important role and positive influence that sport has in our multicultural nation. Involvement in sport whether as a participant, volunteer, spectator or administrator unites people of all ages and fosters a sense of belonging, acceptance and an understanding of other cultures.

It was amazing to see the involvement of the students on the day and both campuses made a Harmony Day banner which promoted a sense of coming together, belonging and acceptance of difference. The money raised with the gold coin donations was given to Project Compassion.

Thank you to the SRC Representatives for the organisation and the students for the participation on the day.

Lou Gogoll
SRC COORDINATOR
Term one finishes next week on Thursday, April 5 at 12:30pm. The campus will have an assembly to conclude the term with an Easter Liturgy and the drawing of the Easter raffle.

REPORTS
On Friday the Year 8-12 students should be taking home their reports. Information will be included with the reports regarding the grades that are given by the teachers. Families are reminded that these are progress reports and are only based on the evidence the student has produced during the first term.

PARENT TEACHER INTERVIEWS
This term we are conducting parent teacher interviews over two afternoons, Tuesday and Wednesday, April 2 and 3 from 3:30 to 6:30 pm. Hopefully your child has already brought home the booking sheet and started locking in times with their teachers. If it is simply not possible to get a time that suits or the staff member is away that day, please suggest an alternative date with the staff member to meet. Students are encouraged, in most cases to attend the interviews with you.

NAPLAN TEST DATES
Students in Years 3, 5, 7 and 9 will participate in the NAPLAN tests during the week of May 15 to 18. Parents are encouraged to become familiar with the purpose and nature of NAPLAN thought the link on the website www.nap.edu.au.

CAMPUS SOCIAL
Tonight is the first full campus social which is being held at South Whyalla Football club starting from 7:00pm and concluding at 10:00pm. The event is a “lock-in” meaning that students will not be permitted to leave until 10 minutes before the finishing time, in this instance 9:50pm at the earliest. The theme for the night is “Easter” and all proceeds from tickets go toward our charities.

TERM 2
We would like to remind parents and students that term two commences on Tuesday, April 24. Some of the Year 10 students will already be on their Murray Venture camp whilst others will be undertaking their week of work experience.

John Lyons
ACTING DEPUTY PRINCIPAL

YEAR 12 RETREAT
The Year 12 retreat last week provided the senior students with the opportunity to reflect on their personal journey from childhood through to the present. It allowed them to consider the companions they take with them on this journey, who have been their influences, where God is on this journey with them and where they would like to go in the future. The quote on a monument at Trinity Haven really said it all which was, “come away to a lonely place by yourself and rest a while”. Getting away from the hectic schedule of school, family commitments, sport and work enabled the Year 12 students time to reflect and take stock of their lives and the relationships with others.

Being able to come together and celebrate Mass and have lunch together on the last day was a wonderful way to conclude the retreat.

I would like to thank the staff and students for the meaningful way they participated and worked together to make the retreat a success.

YEAR 12 SEMINAR DAY
The second Year 12 Seminar Day will be held on Wednesday, April 4 during the Year 12 RE time. These seminars give the Year 12 students the opportunity to come together and celebrate Mass before listening to information regarding the Vocation of a Young Christian Adult.

STUDENT SURVEY
As part of my university studies I am researching student perceptions of assessment, and in particular their attitudes towards formative assessment. I would like to survey students in my Year 10, 11 and 12 classes (Great Australian Crimes and Trials; Legal Studies; Studies of Society and Culture; and the Research Project) with a view to ascertaining whether students see any benefit in formative assessment. The surveys will be conducted during class time next week and responses will be anonymous – neither students nor the College will be identified in my paper. Students will be free not to take part, and parents/caregivers who oppose their child’s involvement are asked to indicate this via their child’s diary. For further information, please do not hesitate to contact me at Saint John’s Campus on 8645 8568.

Tanya Gibson
DIRECTOR OF TEACHING AND LEARNING

EASTER RAFFLE
The Easter raffle is drawing to a close. Tickets will be sold until Wednesday, April 4. (1 for 20c or 6 for $1). We still need donations of eggs for prizes. They can be sent along with your child or dropped off at the front office at any time during school hours.

SOCIAL
Tonight is the first whole school social at South Whyalla Football Clubrooms from 7:00-10:00pm. This event will be a lock in and teachers will be on duty to supervise. Tickets are $4 and can still be purchased at the door tonight. All students are welcome. There will be a variety of prizes awarded during the night...best dancer, best dressed (in an Easter theme), door prizes and more. Come along and join in the fun!
YEAR 11 ROAD AWARENESS PROGRAM – WEEK 10

On Monday and Tuesday of Week 10 (April 2&3), Year 11 students will be participating in the Road Awareness Program.

The program, delivered by the Metropolitan Fire Service (MFS), and sponsored by AAMI and the Australian Professional Fire-fighters Foundation, is a successful program presented by MFS fire-fighters to Year 11 students in secondary schools throughout metropolitan Adelaide and regional South Australia. The program has been running for seven years, delivering in excess of 540 presentations to over 63,000 recipients. Statistics show that road crashes are the number one cause of death for 16-24 year olds throughout Australia.

The MFS fire-fighters present a hard hitting and emotional RAP where they give the students the opportunity to see the consequences of bad decision making. Their message is through “Concentration and Commonsense” almost all road crashes are avoidable. The MFS believes that if we start with new drivers at 16 years old we can create a positive generational change in driving attitudes, decision making and behaviours giving our students the opportunity to significantly reduce the carnage on our roads.

Information letters were sent home with the Year 11 students last week in preparation for next week’s program.

Trent Keiper
YEAR 11 COORDINATOR

9 A SIDE FOOTBALL

On Monday, Week 10 (April 2) some Year 8s and 9s will participate in the SANFL 9-a-side football carnival. This carnival is promoted as a 'Come and Try' day and also includes teams of 8/9 girls. The finish time for the carnival has been changed from 2.30pm to 3.00pm. If your child is participating please ensure they have returned their consent form to their care group teacher. Also just a reminder that students come to school as normal in their PE uniform, and will be transported to Bennett Oval at the start of recess.

SPORTING ACHIEVEMENT

Congratulations to William Carter on his sporting achievement of winning the Junior Sportsperson Award for the Whyalla Tennis Association.

ADELAIDE ATHLETICS

On March 19, twenty one Samaritan College students represented the Spencer Gulf region in the Adelaide Athletics Carnival joining with the best athletes from Saint Marks, Saint Josephs and Caritas College. We competed against seven other Adelaide schools including Mercedes, Saint Ignatius, Tenison Woods, Cardijn College, Saint Francis and Xavier College. Overall it was a successful day, with the Spencer Gulf team finishing third overall, our best for many years. Our Ribbon winners from Samaritan are listed below:
