Dear parents and caregivers

Reconciliation is a very important aspect of our Catholic faith, so much so that we have a special Sacrament which enables us to reflect, confess and become reconciled with ourselves, our community and our God.

May 27 – June 3 marks Reconciliation Week when we can concentrate our efforts and energies on how we can become reconciled people and assist in the reconciliation of our Indigenous communities. “Respect, trust and the knowledge to turn good intentions into effective actions” will be a positive way forward.

Please visit the website to find ways to join the process of Reconciliation, www.reconciliation.org.au.

There is much activity underway with the children on each campus as well as cross-campus gatherings in preparation for the Samaritan Spectacular. The one matinee and two night event, in the newly renovated Middleback Theatre, will showcase the creative and performing arts talents of our young people. We thank, in advance, the many staff who have collaborated in the planning, designing and practising in preparation for a well refined presentation. We look forward to seeing your family and community support in the evenings. Please watch this Newsletter and be on the alert for letters home in the coming weeks for information regarding ticket sales.

When the schools amalgamated, did you feel you wanted to have a say in the future of your children’s schooling? Were you unsure of what your school would look like in the coming years ahead? Did you assume change would happen overnight, yet you wanted consultation? If you answered yes to any of these questions, then you may be able to contribute to the committee being formed to work towards campus consolidation. We still need a parent representative who can offer at least one night a month for regular meetings. Please contact Karen McGinnis on info@samaritan.catholic.edu.au or refer to the tear-out-slip on page 3.

The last two nights have provided transition information to our Year 7s as they begin the process of readiness for secondary schooling. Next week the Year 7s and their families will experience the many aspects of the Principals’ Tours, in order to gain an understanding of what they will be involved in next year and to familiarise themselves with their surroundings. The transition program has been a well established and successful one, with so many opportunities for the students to develop a sense of comfort around change.

CO-PRINCIPALS
In the Catholic Tradition May is usually referred to as the month when we reflect upon Mary, the mother of Jesus. This is also the month when we celebrate the Feast day of Our Lady Help of Christians, patroness of Australia. This feast occurs on Monday, May 24. This feast was celebrated today by OLHC Campus of Samaritan College Mass for the older students and a liturgy for the younger ones.

Another important event regarding Mary is the e-conference run by the Broken Bay Institute of Sydney. This is entitled Mary – First Disciple and will be presented by Fr Frank Moloney. The parish has enrolled in two other e-conferences. It is an interactive way to attend a conference in the comfort of your own room. The parish will be down loading some of the conference to be viewed at another time.

This week we also begin our First Eucharist Workshops. So we ask for your prayers for the children and their families who are participating in the preparation for First Eucharist next month.

God’s blessings on the week.

Pentecost is this Sunday, the Feast of the Holy Spirit. The Year 11 Liturgical RE class have prepared a Youth Mass for the Vigil at Saint Teresa’s on Saturday, 7pm. All are welcome.

There is such rich symbolism in the Pentecost celebration. Fire is powerful, as is the Holy Spirit. We all carry a flame inside us that burns for something, there is something we need to do to warm the world when it is cold, to enkindle in those around us a spirit of love, joy and hope. When do we let our flame shine?

Angela Rogers
REC - SJC

Spirit of God, may we, as your followers, feel the courage and faith that the disciples felt at Pentecost. May we too become heralds of your gospel; speaking and living unceasingly the message that Jesus gave us on earth.

May our minds and hearts always be open to you and may our words and actions help to transform people of all nations. Amen.

During this term on Wednesday afternoons many of our Year 6 and Year 7 students are taking part in After School Football matches, with a team from each campus. The students are organised and supervised by Bec Fahey, Rob Gill and Peter Usher.

During this week we have students in Adelaide representing Samaritan College for SAPSA Netball and Football. Football: Josh F, Angus M and Sam S. Netball: Nellie C, Jenna D, Rylie F, Haylee M, Lucy M, Suré V, Eliza S, Teagan V and Maddy W.

At last our Year 7 Commemorative Tops have arrived! The Polo tops and the Windcheaters are available at both of our Front Offices.

Patricia Page
PRIMARY CAMPUS LEADER

A message from the Student Counsellor....

Hi, it’s hard to believe we are nearly half way through the year; where has the year gone....

As parents we are all well aware that bullying exists and awareness of the impact in society is on the increase. This is extremely worrying given a child who has been the victim of bullying can experience various problems in a number of areas. These include having problems with their physical and psychological health, educational attainment and social development. Of equal concern, research suggests children who bully other children are more likely to be involved in criminal and anti-social behaviour.

It is important to acknowledge that bullying exists and for that reason to promote the message that it is NOT OK!! As Student Counsellor I thought a great way for our school community to get behind this message is to hold a Bullying ‘NO WAY’ competition for each primary school campus. This event will commence in Week 7 with judging to take place in Week 10. Students are asked to create an anti-bullying message and present it in an imaginative way eg on a t-shirt, poster, bumper sticker, pocket card, badge or magnet. To make it fair for all students two competitions will be run, one for the OLHC Campus and one for the Saint Teresa’s Campus with two categories, junior primary and upper primary.

Entries will be displayed at each school ready for judging to take place in Week 10. Prizes will be given for 1st, 2nd and 3rd. This is one event where students can show off their creativity and really get behind the Bullying ‘NO WAY’ message. Looking forward to seeing lots of entries and some wonderful creations!!! Watch this space for updates....

The stats – Did you know?

Who/When/Where/What
- Around 62% of students with Autism Spectrum disorder report being bullied once a week or more
- Bullying most often occurs in the last years of primary and the first couple of years at secondary school
- Males typically report being bullied more than females
- Children with positive relationships with their parents are less likely to bully
- Around 85% of bullying incidents happen within peer groups
- Generally verbal bullying such as name calling is the most common form of bullying
- Physical bullying is the least common and declines with age
- Students are more likely to experience bullying from individuals than groups
- Bullying often occurs when there is little or no supervision around
- Data from Kids Helpline shows that children 15-18 years old are more likely to experience continual harassment
- Bullying is the fourth most common reason young people seek help from children’s help services

Impacts
- Children who are bullied are more likely to have higher levels of stress, anxiety, depression and illness
- People who bully are more likely to drop out of school, use drugs and alcohol and engage in criminal behaviour
- Young people who bully have a one in four chance of having a criminal record by the age of 30
- Positive and supportive school relationships between principles, teachers, students and parents can have a positive impact on reducing bullying

Information provided by the Student Counsellor....

Leesha Spreadborough BSW
**FIRST EUCHARIST**

This Friday is the first of two workshops to be held in the Eucharist Program. The workshops help the children prepare for their First Eucharist on the weekend of June 5/6. The children participating in First Eucharist need to be dropped off at St Teresa’s Church by 8:45am. The children need to bring their recess, lunch and a drink. The children may wear casual clothes but they need to bring a school hat. The day will finish at 3:00pm at which time the children will need to be collected from the church.

Next week the workshop on Friday, May 28 will be held at Our Lady Help of Christian Campus.

**Presentation of Eucharist Candidates with Commitment Cards**

This weekend the First Eucharist children need to come to one Mass with their family to be presented to the parish and submit their commitment cards. Both sets of commitment cards are to be brought to the one Mass.

Watch this space for more information on First Eucharist in the coming weeks.

*Bernie Meixner*  
FOR THE SACRAMENTAL TEAM

---

**THE HUMAN RACE**

On Tuesday, May 25, Brainstorm Productions will be presenting ‘The Human Race’, a show about bullying and cultural diversity.

This is a humorous and entertaining way to help children understand that we are from different cultures and have different abilities, human beings all have feelings and need to be accepted and respected for who we are.

The message is clear: DON’T TEASE OR BULLY!

Brainstorm production has won the NSW Performing Arts Frater Award – “Best Feedback from Schools” category for 10 consecutive years.

*Winnie Fitzgerald and Melinda Gray.*

---

**STC: NEWSPAPER RECYCLING**

Many families have indicated that they would like to be part of the newspaper recycling initiative. We have run out of Red Recycling Bags but more are coming. Anyone can recycle their newspapers even if you don’t have a Red Bag. Place your old newspapers in the blue wheelie bins. Please remember to remove binding string, plastic wrapping and glossy inserts from your recycled papers before they go in the bin.

*SRC*

---

**STC: MASS AND ASSEMBLY**

Year 2/3 Reed/Judd will be celebrating Mass at St Teresa’s Church on Wednesday, May 26 at 9:00am. The children in Year 2/3 Reed/Judd need to be dropped at St Teresa’s Church by 8:45am.

There will be no assembly next week.

*Bernie Meixner*

---

**MARY HELP OF CHRISTIANS FEAST DAY**

Today we celebrated Mary Help of Christians Feast Day with a Mass and Liturgy, followed by a picnic lunch for all students, staff and parents. The Mass and Liturgy were thoroughly enjoyed by all as Mary is the patroness of Australia and our campus.

---

**PRAYER TO MARY HELP OF CHRISTIANS**

*Mary, Mother of Jesus, Help of Christians and Mother of the Church*

you were the first disciple to hear the Word of God  
and to welcome that Word into your life.

Pray for us,

that we may respond with courage,  
as you did, when that Word breaks into our lives.

You were the woman of faith,  
whose trust in Jesus, your son,  
led the disciples to faith at Cana.

Pray for us,  
That we will be able to accept your invitation  
to do ‘whatever He tells’ us.

You were the woman of fidelity  
who, together with the Beloved Disciple,  
stood at the foot of the cross and received  
the gift of the Spirit  
which Jesus poured out for us in love.

Pray for us,  
that in and through God’s Holy Spirit,  
we might form a school and parish community  
of faithful love,  
ready to ponder it in our hearts,  
and anxious to live by it, day by day.

Amen.

---

**OLHCC: FOYER DISPLAY**

Please venture into the Front Office this fortnight to view the fantastic Foyer Display presented by the Year 5/6 Molyneux/Perry. As a class they have been looking at ‘Memories’ and have discussed how their past memories help to shape their lives. Come along and read some of the student’s earliest memories.....

*God Bless*  
*Eleni Vailas*  
CAMPUS COORDINATOR
HEAD LICE

Again we report that head lice has appeared in the junior years, with Year 8 class members afflicted. Please inspect your child’s hair for either moving lice, or the sticky eggs that usually occur around the baseline of the hair or behind the ears. All members of the family need to be treated and the comb as well as the treatment needs to be used. All bedding, soft furnishings need to be washed and even upholstery in cars, lounges, etc should be vacuumed. Students can return once they have been treated. Please always inform the school if you discover head lice. We will be discreet.

NUMERACY INTERVENTION

We are pleased to report that the Quicksmart numeracy intervention is now underway in Years 8 and 9, following on from the work in the primary campuses last year. The setting up has involved training of personnel, purchase of resources and creating a space for the students to work with their Education Support Officer. Ms Shirley Bauer will be assisting students in their 30 week program.

SECONDARY NEWS

WHYALLA CAREERS EXPO

This is being held at the UniSA campus on May 25 from 10am-3pm. It not only showcases various careers but also a range of training options. Our Year 11 students will walk with teachers to and from UniSA at 11am and the Year 12s will walk to and from UniSA at 1:30pm. The general public is also welcome to attend.

UNIVERSITY OF ADELAIDE

In 2010, the University of Adelaide is offering a new method of securing a position in certain 2011 courses. Basically they are setting a minimum cut off score and if students meet this score they are in. Previously this is not how University offers worked. Please visit www.whatsyourpreference.com for details.

Some fun activities to help young children with reading and spelling.

**JUNIOR HOCKEY**

Karen Pudney
ON BEHALF OF THE JUNIOR HOCKEY COMMITTEE
GENERAL ISSUES

A need has arisen to remind students of some procedures at school that have begun to be ignored. The new 'balance bracelets' are not part of our uniform and come under the same policy as any bracelet that cannot be worn. Senior students have also resorted to bringing in McDonalds, KFC etc into the school once they arrive at school. This is also not allowed nor is the practice of bringing it in for other students. And finally we remind students that hats are to be worn all year round at Samaritan.

MS KOROSSY

Ms Korossy has returned to work after a period away due to a slip in Home Economics. For a few weeks Ms Korossy's classes will be held in CB02 until she is able to move up and down stairs comfortably.

COMPUTER DAMAGE

Unfortunately we have had some serious and silly damage to some of our computers. Students caught damaging school property will, on top of regular consequences, lose their privilege to use the College’s computer facilities.

WORK EXPERIENCE

Year 11s are beginning the process of securing a host employer for work experience in the last week of term. Students will find this a more rewarding experience if they 'work' somewhere that is related to the career they are interested in rather than somewhere nice to work for a week. There are strict rules governing what students can do, where they can work and how they are treated on work experience.

Damien Judd
SECONDARY CAMPUS LEADER

YEAR 11 LITURGICAL RE

Students have been working very hard on the Youth Mass for Pentecost. On Friday the Liturgical RE class, choir, and students who will be playing a musical instrument will walk to Saint Teresa’s Church for final preparations (during lesson 2 and 3). Well done to all students involved in this venture.

Angela Rogers
RELIGIOUS EDUCATION COORDINATOR

YEAR 11 OUTDOOR EDUCATION CAMP

Last week on Wednesday to Friday a group of 9 Yr 11 students went on an expedition to the Murray River. It formed a part of their SACE assessment being able to efficiently kayak, navigate, organise own meals, equipment and work together as a group to reach a destination. Overall the students kayaked nearly 40km in 2 days, starting at Mannum and finishing at Murray Bridge. All students were extremely well behaved and gained knowledge of the river, their peers and most importantly themselves. Thank you to Mr Greg Coulter who generously donated his time to be part of the trip.

PHYSICAL EDUCATION UNIFORM

Just a reminder that it is vital that all students are appropriately changed for Physical Education lessons. This means shirts, shorts, jumpers, socks and most importantly shoes. If your child is not appropriately changed they will not participate in practical lessons.

Kate Nolan
PE AND SPORTS COORDINATOR

YEAR 9S - TAX FILE NUMBER

On Friday, June 18 the Year 9s will be listening to a talk by a representative from the Australian Tax Office (ATO). This talk will give the students some information about how the tax system works in Australia and why it’s much simpler for them to get an Tax File Number (TFN) while they are in Year 9 at school.

After the talk students will be given a form to bring home so the necessary details can be filled in. The form needs to be completed and returned before the end of term so it can be sent off to the ATO by us, here at the College, on your child’s behalf.

To successfully complete this form your son/daughter will need to have details about either:
• their Australian Birth Certificate registration number, the state it was issued in and the year of registration.
• their overseas passport number and the country of nationality.
• their Australian citizenship number (which usually begins with the letters ACC or ROC) and the date the certificate was issued.

I am giving you this information before the form is sent home because some of you may need to contact the relevant government department to obtain a copy of the necessary certificate.
