“Let the wheat and the weeds both grow together until harvest. Then I will tell the
harvest workers to pull up the weeds first, tie them in bundles and burn them, and then
to gather in the wheat and put in my barn” Matthew 24: 30

Sowing good seed in fertile fields is the goal of all people in the care of children. It is through
positive and practical education, often in a child’s social world – the informal curriculum
where the work of parents, educators and parish can do much to develop values and ethics
for ‘the common good’ in our young people. The weeds may appear in many forms; from
negative talk, perceived power imbalances, racist or bigoted attitudes, to name a few. The
imperative for us is to keep checking on the informal curriculum conveyed in our everyday
actions and words to the impressionable minds and manners of children. With the secular
world such as media impacting on such informal learning, we are challenged to often be
‘counter-cultural’ to the messages created in contemporary society. Modelling serious
contemplation, attention to the individual; the community; and just action for the common
good of all children, are beliefs we take seriously.

Lord, give us strength and commitment to keep the soil fertile, to nurture what you have
sown and to keep the weeds at bay. Amen

It is with great excitement that we are able to share with you that from Monday, August 2, the
Gymnasium and Science sites will belong to Kim Clarke Builders for the next 6 months. After
being placed in Round 3 with the Building Education Revolution, it has been a considerable
wait, but in the long run, we have been afforded more student friendly timing with regards
to limiting disruptions, particularly with science. We look forward to seeing the science
refurbishment completed end of January and the Gymnasium in March. The Gymnasium
will be accessed by the entire college in various ways and will enable us to even hold large
parish Masses and community functions. Whilst the media might choose to reflect negatively
on government spending in this political season, we can only see that any help to schools
thus students is a bonus. Like others schools in Whyalla, the College would never have been
able to develop such a facility without the stimulus package assistance from the Australian
Government. On the subject of funding, election time is pertinent for Catholic schools,
who rely heavily on federal grants to support parents in making alternative choices for their
children’s education. Please see page 2 the message shared across South Australian catholic
school communities:

Dear parents and caregivers

“Let the wheat and the weeds both grow together until harvest. Then I will tell the
harvest workers to pull up the weeds first, tie them in bundles and burn them, and then
to gather in the wheat and put in my barn” Matthew 24: 30

Sowing good seed in fertile fields is the goal of all people in the care of children. It is through
positive and practical education, often in a child’s social world – the informal curriculum
where the work of parents, educators and parish can do much to develop values and ethics
for ‘the common good’ in our young people. The weeds may appear in many forms; from
negative talk, perceived power imbalances, racist or bigoted attitudes, to name a few. The
imperative for us is to keep checking on the informal curriculum conveyed in our everyday
actions and words to the impressionable minds and manners of children. With the secular
world such as media impacting on such informal learning, we are challenged to often be
‘counter-cultural’ to the messages created in contemporary society. Modelling serious
contemplation, attention to the individual; the community; and just action for the common
good of all children, are beliefs we take seriously.

Lord, give us strength and commitment to keep the soil fertile, to nurture what you have
sown and to keep the weeds at bay. Amen
PARISH NEWS

Last Sunday at the Parish Masses our confirmation candidates enrolled for the Sacrament that will take place in Whyalla on Friday, August 27 at Our Lady Help of Christians Church and on Saturday evening, August 28 at St Teresa’s Church. We look forward to having Bishop Greg O’Kelly in Whyalla that weekend. This week the students and parents meet on Tuesday evening and at that meeting the work books will be given out. Over the coming month we will be keeping these students and their families in our prayers.

If there are any students at the College who need Baptism, Reconciliation, First Eucharist or Confirmation they are welcome to contact the Parish to obtain information about these Sacraments. Please phone Sr Robyn on 8649 3593 or Sr Cheryle on 8645 8023.

Have you ever wondered how an adult person becomes a Catholic? RCIA (The Rite of Christian Initiation of Adults) is the way the Church helps people to become members of the Catholic Church. The Rite is a parish – based process adapted to suit the spiritual journey and needs of adults. You are invited to St Teresa’s Parish Hall for an information evening on Tuesday evening, August 10 at 7:30pm and repeated at Our Lady Help of Christians meeting room on August 24. Sessions commence September 7.

God Bless

RELIGIOUS DIMENSION

NATIONAL TREE DAY

Tomorrow schools around Australia will be taking part in Schools Tree Day, followed by National Tree Day being held on Sunday, August 1; this combined will make Australia’s biggest community tree-planting event.

National Tree Day aims to inspire, educate and recruit Australians to actively care for our unique land and create future generations of committed environmental custodians.

Each year, around 200 000 Australian school students participate in Schools Tree Day, designed just for children. It’s a great opportunity for children to make a contribution to Australia’s natural environment and have lots of fun at the same time.

Due to the impact humans are having on our environment, National Tree Day is an essential part of conservation. Pope John Paul II said in a message to the Church that the state of our environment has reached crisis level. National Tree Day is just another way we can gather together to make a difference.

Blessed are you, Lord our God, Creator of the Universe You fill the world with your glory and give it to us as a home Teach us to recognise its wonders and to treasure its variety Help us to protect its fragile beauty We ask this through Christ our Lord. Amen

God Bless

Eleni Vailas
REC - OLHCC

COLLEGE NEWS

Australian Catholic schools (even adding in fees) operate at 85% of Government school funding.

If the Government is to continue support for parental choice in education and if Catholic schools are to:

- Keep fees at a level where they can continue to make reductions for those in need
- be accessible to all
- provide appropriately for students with a disability
- offer a faith-based education for those who choose it
- And continue to provide our excellent standard of education

Then Government must guarantee:

- indexed funding on the current levels of funding for all Catholic schools so that they have funding certainty for the future
- flexibility to use that funding to best meet the needs of all students, (as the past and current effective management has demonstrated)
- Increased funding for students with disabilities
- ongoing provision of capital funding

The very existence of Catholic schools offers a good return for the taxpayer’s dollar given their contribution to the community and support of Australia’s national goals. Speak up for the future of Catholic education in Australia.
SYMBOL SLEUTHS
HOW MANY SYMBOLS CAN YOU FIND? ......
A prize will be awarded to a student from each campus. All answers need to be correct.

This week's question:

Answer: .............................................
Name: .............................................
Parent Signature: ................................
Class: .............................................
Campus: .............................................

Entries will only be accepted until Friday July 30

Office Use ONLY

Time: .............................................

Initials: .............................................

Please Note: There are more spaces for answers than symbols to be found. Symbols are special characters that don't belong where they are placed. Punctuation characters are not symbols.

Congratulations to Asha Reed of 2/3 Reed/Judd and Blake Brougham of 3/4 Tullio who are our Symbol Sleuth winners for last week. They will receive these lovely books shown to the right. We have more great books to give away - remember you've got to be in it to win it!

Last week's answer's were:
Mary Magdalene
   p1 ÷, p2 «, p3 ⎯, p4 Ⓡ, p5 ⋆, p6 δ, p7 ⇄

COllEGE PHOTOS
The photo order packs for Master Portraits will be sent home with this week's newsletter. All students must bring their envelope, with the correct money (WE DO NOT PROVIDE CHANGE) on the day.

Each student should receive their own coloured envelope for the ordering of individual and group photos. Each student requiring photos must return an envelope, even if payment is enclosed in a brother’s or sister’s envelope.

Family photo order envelopes are also available. Those wishing to have a family photo must collect a family envelope from any campus office.

Tuesday, August 3, 2010 – OLHC Campus
Wednesday, August 4, 2010 – St Teresa’s Campus
Thursday, August 5, 2010 – Saint John’s Campus

Prices

EDUCATION TAX REFUND 2009/2010

As part of the 2008/2009 Federal Budget, it was announced that from the July 1, 2008, eligible families would be able to claim a 50% Education Tax refund on eligible education expenses. For the 2009/2010 year the figures have been increased to $780 for a primary child and $1558 for a secondary child.

For the 2009/2010 income tax year eligible families can claim up to $390 per annum for each child in primary school and up to $779 per annum for each child in secondary school on eligible education expenses.

The major portion of the eligible expenses relates to the cost of home computers and computer related equipment as well as home internet connections and computer software for educational use.

The eligible education expense that is a part of your school fees includes “school text books and other paper based school learning material, including prescribed textbooks, associated learning materials, study guides and stationery.”

As Samaritan College issues an all inclusive account for school fees an estimate has been made that the amount of $150 per primary student and $220 per secondary student relates to the eligible education expenses component of those school fees.

If you are to make an ETR claim you will need to retain proof of payment of your fees (ie: school receipt) and consult with your tax professional to determine your eligibility.

Further information on the Education Tax Refund can be obtained from the following link http://www.educationtaxrefund.gov.au

Geoff Cooke
BUSINESS MANAGER
WHYALLA WALKS ON WATER!

The following extract is from the Catholic Parish of Whyalla newsletter.

Caritas Australia runs a ‘Be More!’ weekend each year.

Here in Whyalla, the Millenium Development Goals committee has organised a walk for water – Saturday August 7 – starts at 9:45am outside the Bayview Hotel, walking with buckets of water (just like 800 million poor people do every day of their lives) to the top of Patterson St, then down to Ada Ryan Gardens for an early sausage sizzle lunch. Along the way we’ll hand out flyers promoting more substantial assistance for poor communities around the world, and promoting water conservation in our own lives.

Samaritan College would like to support this initiative and invite staff, parents and students of the College to come walk with us to support those who struggle to get access to clean drinking water each day.

If you intend participating in the walk please return the acknowledgement slip to the right to your campus office. Please note that children attending will need parent supervision.

NATIONAL TREE DAY

National Tree Day is on Sunday, August 1. The Primary Campuses we will be celebrating Schools Tree Day on Friday July 30.

Schools Tree Day is an opportunity for students to take an active role in helping protect the environment, combat climate change and beautify their school grounds. The simple act of planting a tree helps inspire a love of nature and a determination to act on its behalf. It also creates great opportunities for hands-on learning to help achieve Science and SOSE outcomes.

Schools Tree Day is a wonderful opportunity for our students to do something practical for our community. The Whyalla Council will be providing us with native shrubs and trees to plant in our school grounds, all classes will get to contribute in planting these native shrubs and trees on Friday.

OLHCC FOYER DISPLAY

This fortnight we have a lovely Foyer Display presented by Italian teacher, Maestro Calder, featuring the scripture story of Noah’s Ark. Students from across the campus have illustrated and written about some of the animals featured in the story. Come along to see their growing knowledge of Italian.

OLHCC LITURGY OF THE WORD

This terms Liturgies will be commencing next week with a wonderful Liturgy presented by Year 5/6 Perry / Molyneux all about ‘Our Environment’.

You are most welcome to join us for Liturgy of the Word next Thursday, August 5 at 12:30pm in the Church. We hope to see you there!

Eleni Vailas
CAMPUS COORDINATOR - OLHCC

WE WANT YOUR NEWSPAPERS!!

Keep bringing in your old newspapers and place them in the special blue recycling bins.

Anyone from Samaritan College is welcome to recycle their newspapers here.

STC LITURGY AND ASSEMBLY

On Wednesday, August 4, 6/7 Baverstock will be attending Mass at St Teresa’s Church. The children need to meet at St Teresa’s Church by 8:45am. There will be morning tea in the hall afterwards. All parents are most welcome to attend Mass and morning tea afterwards.

This week 3/4 Opie will lead an Upper Campus assembly in the library on Friday, August 6.

Bernie Meixner
CAMPUS COORDINATOR - STC

NEW LITERACY RESOURCES – HELP NEEDED

It’s that time again when we ask for parents to help us update our reading activity resources. So come along on Thursday, August 5 anytime from 8:45 – 1pm. Have a chat and a cuppa whilst you cut, photocopy and laminate resources.

Morning tea will be provided. Please come to the front office to sign in. If you are able to help with resources making but are unable to attend on the day please contact Lou Whitehouse.

Lou Whitehouse

YEAR 11 INTO YEAR 12 INFORMATION EVENING

This very important session will be at 7:30pm at the Central Whyalla Football Club on Tuesday August 3. Current Year 11 students and at least one parent/guardian should attend. The 2011 Year 12 is brand new for all South Australian students.

YEAR 12 LEAVING SCHOOL INFORMATION SESSION

All Year 12s and families are invited to the Campus Lecture Theatres at 7:30pm on Wednesday, August 4 for information about applying for University and TAFE places in 2011. Students will be guided through the process and representatives will also be in attendance from a range of University Residential Colleges. TAFESA and a host of other relevant organisations will also be available to answer any questions about 2011 options. This session is also open to families in Year 11.

YEAR 10 INTO YEAR 11 INFORMATION EVENING

This will be held at 7:30pm at the Central Whyalla Football Club on Tuesday, August 10.

SAINT JOHN’S DAY

Held on Friday August 6, this important day raises vital funds for the Campus’ 4 nominated charities: Catholic Missions, Edmund Rice Camps, Whyalla Branch of St Vincent de Paul and for 2010, the Cancer Council. Unlike previous years, there will be no sponsoring of our walkathon. There are a range of issues asking students to doorknock for sponsors and we find that a small percentage of students raise most of the money. In 2010, students will be asked to pay $5 instead of seeking sponsors and in place of the gold coin donation for coloured clothes. Students can pay that money from now onwards.
**MOBILE PHONES**

Whilst we still remind students not to use their phones in school time, we still have some students not following the policy. Instead of parents coming to collect the phone at 3:30pm, the students themselves can now collect their phone but only after 3:45pm. Students who continue to ignore this rule will be asked to attend the College on Saturday mornings.

**UNIVERSITY OF ADELAIDE OPEN DAY**

This is on Sunday August 15 at the North Tce Campus in Adelaide. More information is on the pinboard in the Year 12 Study Room or at www.adelaide.edu.au/openday

**INDIGENOUS SCHOLARSHIPS**

DEEWR are offering, through the Smith Family, a range of scholarships for indigenous students to complete Year 12 at a nominated Adelaide boarding school.

Applications have closed for 2011 but families interested in applying for 2012 should contact the IYLP Coordinator, Leanne Smith, 8204 1042 or leanne.smith@thesmithfamily.com.au. More information, including eligibility criteria and the list of SA schools can be found at http://www.deewr.gov.au/Indigenous/Schooling/Programs/IYLP/Pages/IYLP.aspx

**Damien Judd**
SECONDARY CAMPUS COORDINATOR

The Saint Vincent de Paul Society works hard to assist people in need and combat social injustice across Australia. This is done by providing the less fortunate with food, warm clothing and bedding. This is done in our local community by the Saint Vincent de Paul Society to help those who need it here in Whyalla. Every year as Saint John's Day approaches, our school donates nonperishable food items, toys, blankets or even clothing which are still in good condition this week and next week, up until Saint John's Day. Electrical appliances CANNOT be accepted.

Please donate generously.

Thank you.

**STUDENT REPRESENTATIVE COUNCIL**

**STAGE 1 STUDENTS AND PARENTS SUBJECT CHANGES**

Please be advised that Stage 1 students wishing to change Semester 2 subjects need to have their subject change forms competed and returned to Mr Lyons by Friday July 30 (Friday Week 2). This is to ensure that students moving into a new subject have enough time to complete the SACE requirements and so gain their 10 credits.

**Tanya Gibson**

---

**YEAR 9 GIRLS**

Year 9 Girls were given a brochure to take home with this newsletter from the The National Self-Detection Program for Scoliosis.

The past several decades have seen major advances in the management of spinal deformity generally and of adolescent idiopathic scoliosis (AIS) in particular. It is now well established that early detection of AIS results in better outcomes. Screening of adolescent girls for scoliosis is recommended when they are in Year 7 and/or Year 9 (because in earlier stages of curve development the girls have no symptoms). The optimum time for the detection of scoliosis is just after the onset of the adolescent growth spurt and this corresponds to Year 7 for the majority of girls. It is also recommended for Year 9 girls so as to catch those whose growth pattern differs from the average.

We have been asked to distribute the brochure in which the outward signs of scoliosis are described. If, after reading the brochure, a girl or her parents think she may have a curvature, then follow-up with the family doctor is recommended.

The distribution of the information brochure is endorsed by the Paediatrics and Child Health Division of the Royal Australasian College of Physicians. The screening committee of the Spine Society of Australia has a representative in each State and the ACT who are available for consultation. In SA it is:

Dr P J Cundy SA
1 Kermode St
North Adelaide SA 5006
Tel: 08 8267 8267
Fax: 08 8267 2007

Further information can be obtained from the following website http://www.scoliosis-australia.org/scoliosis/self_detection_prog.html

**Christine Dufield**
YEAR 9 COORDINATOR

**CONGRATULATIONS**

Congratulations to Ben S whose efforts for fundraising for cancer research saw him take his hair back to a ‘Number 2’: as part of the “Call to Arms” fundraising drive. Despite the possible ribbing and adolescent concern about appearances, Ben did not hesitate in offering to support a worthy cause.

**Terissa Shepherd**
CO-PRINCIPAL

---

**CIVICS AND CITIZENSHIP CANBERRA STAGE BAND TOUR**

From July 29 to August 6; Sarina Barsby, Tim Foulkes, Ryan Halyburton, Tori F and Tyler Geihlich will be part of the Whyalla Secondary College Stage Band tour to Canberra. During this tour the students will be performing for schools in SA, Vic and the ACT, including a combined concert with Wanganui Park Secondary College. When the students arrive in Canberra after travelling 1600 kms by bus, they will visit old and new Parliament House, Questacon, the War Museum and the Australian Mint. These students will not only be representing themselves and Samaritan College, but the musical ability of Whyalla throughout South East Australia.

**Julia Anttila**
MUSIC TEACHER
CONGRATULATIONS TO KRISTINA KOTSOMITIS!!

Kristina (11 White) has been chosen to attend the National Youth Science Forum in Canberra in January 2011. After a rigorous preselection process, which involved interviews and a written application, Kristina attended the final selection process on Sunday in Adelaide and earned 1 of the 18 places allocated for South Australian students; a great achievement!!

The National Youth Science Forum helps students moving into Year 12, who wish to follow careers in science, engineering and technology by introducing them to research and researchers, by encouraging the achievement of excellence in all their undertakings, and by helping to develop their communication and interpersonal skills. It also fosters discussion and interest in major national and global issues and emphasises the importance of maintaining continuing active interests in sport, arts and music.

Kristina will be sponsored by Samaritan College and the Whyalla Norrie Rotary Club, however, to assist with travel arrangements she will now be organising fund raising activities to help contribute to the cost of her trip. Please support her efforts.

Denise Rule
SCIENCE TEACHER

YOU CAN DO MATHS

Parents often wonder how they can support their child in their study of Mathematics. Why not visit the website www.youcandomaths.com.au to gain some new insights on how to motivate students to engage in their learning of this powerful subject?

Maresa Lyons

YEAR 11 MASS

On Wednesday of Week 4 (August 11), all Year 11 students will be taking part in the Mass at St Teresa’s Parish Church. Students will meet at the rotunda at 8:30am, ready to walk to the Church at 8:40am. Parents are most welcome to attend.

Jade Vanzo
YEAR 11 COORDINATOR

YEAR 10 WORK EXPERIENCE, WEEK 10, TERM 3

It is time for your son/daughter to consider where they will be going for Work Experience this year and to start canvassing potential employers in order to secure a placement. The designated week for Year 10 Work Experience is Week 10 Term 3, from September 20th through to the September 24. Employers who are unable to take a student during this week may be able to take them in either Week 1 or 2 of the holidays, so please keep this in mind.

Although it is expected that all students will arrange their own placements, those who would like a placement at either OneSteel or the Whyalla Hospital should register their interest with myself, by the end of Week 6 (August 27). These organisations prefer to deal with coordinators in the first instance. There will be only limited places at both organisations.

Due to recent legislation students who would like to work at a Child Care Centre, or at one of the other College campuses, may need to undergo a police check. I suggest that the student discuss this with the employer when negotiating the Work Experience.

A Work Experience legal agreement form will be sent home with students next week. A year level assembly will also take place to answer any questions students might have. When a work placement has been agreed upon, the form must be completed and signed by the student, a parent/guardian and the business proprietor. The form should then be returned to the student’s care group teacher. An information sheet for employers is also included with this letter and this should be passed on when arranging the placement.

One purpose of Work Experience is to help students to broaden their horizons with a view to making decisions about future careers. It is recommended that the placement is not at a student’s place of part-time employment, nor with family. The student must not receive any payment for the work. A week with a new employer may help students decide whether their initial career choices are still appropriate for them.

Please do not hesitate to contact me at the College should you have any queries.

Trent Keiper
YEAR 10 COORDINATOR
