Dear Parents/Caregivers,

But Jesus said to them, “Prophets are not without honour except in their own country and in their own house”. Matthew 13: 57

Friday is the first Friday of the month which we devote to the Sacred Heart of Jesus. The scripture from Matthew refers to Jesus’ struggle to have his own people understand his actions, therefore he had difficulty endeavouring to be a prophet in his own land.

Upon reflecting on our students, we see that the way they reach out and assist others in the community certainly makes them prophets, apparent in the way they act, different from media norms which depict that all young adults as egocentric, thinking only of themselves. The SRC across the College are constantly looking at social justice issues and reaching out to others in need. On Friday, Saint John’s Day, the whole day is devoted to active prayer and service to others; indeed prophetic work in a young person’s context. Let us recognise the significance of their prayer for action.

The Japanese students are settling into the community well, joining in all the activities planned for their stay. It seems they arrive and it is not long before we say farewell, the time flies by. Once again, thank you to the families who have been prepared to have the students in their home and offer such wonderful hospitality; and to staff who are generously offering their time to take extra classes.

Once again the Whyalla Show is here and we are requiring helpers to make the weekend a success. For those who have worked before you would have received a letter asking if you were available again this year, if you could respond promptly it would be appreciated because we can then fill the gaps. Remember to phone Karen or email info@samaritan.catholic.edu.au. If you have not been a part of the stall before, please consider assisting by filling in the return slip included and we will ensure you have an enjoyable time while raising funds for the student centred projects of the College.

Reception enrolments for 2013 are being taken in the primary campuses. If your child is commencing school in 2013 or you know of someone who is interested, please make
If you have been following media accounts of sporting events in recent days - notably the British Open Golf Championship and the Olympic Games - you may have noticed how we Aussies have been struggling to cope with Adam Scott’s ‘throwing away’ the golf title and ‘only coming second’. Then, adding insult to injury, the Men’s Freestyle Relay Team, so confident of claiming gold, came home fourth and medalless. Disappointing result? Of course. Devastating failure? I wonder. ‘If only’...

It seems to me that when “if only” laments well up, this is just the time to regain perspective, increase our appreciation for best effort and talented others and celebrate the graced moments of life, even in apparent failure.

Mary MacKillop, a woman who lived by the power of the Cross, was inspirational in showing us how faith can grow deeper and love can grow truer in the crucible of suffering, disappointment and reversal.

Dorothy Day, social activist and founder of The Catholic Worker movement, takes up the theme of the Gospel of last Sunday’s Mass – the Feeding of the Five Thousand - and offers these words of encouragement. ‘What we do is very little, but it is like the little boy with a few loaves and fishes. Christ took that little and increased it. He will do the rest. What we do is so little we may seem to be constantly failing. But so did he fail. He met with apparent failure on the cross. But unless the seed fall into the earth and die, there is no harvest. And why must we see results? Our work is to sow. Another generation will be reaping the harvest’.

Let us remember, when those ‘if only’ desires arise, the miracle of the five loaves and the two fish. Let us look to the example of Mary MacKillop and the wise advice of Dorothy Day. Let us surrender our ‘if onlys’ to God, rely more attentively on grace and do the best we can with what we have.

God bless

The Gospel story read at last weekend’s Masses is advice from Jesus about not carrying around too much baggage, whether it be material things or ideas, even doctrines of any kind. These things usually hamper us in our desire to live as God wants us to live. The practise of doing without superfluous things is a real challenge today in our consumer society. As we prepare to take part in our Saint John’s Day activities tomorrow we are reminded of the positive ways the Year 7-12 students and staff will once again participate in the diversity of activities offered and enter so willingly into the spirit of giving in order that our SRC can continue to support those who are less fortunate. Saint John’s Day has a rich history and it once again gives us all a chance to focus on helping others and to leave some of the ‘baggage’ of the material world behind (even if it is only for a short time).

Sourced from: http://www.vincentians.org.au/

Students from Year 8-11 across the secondary campus are beginning their units of work from the Made In The Image of God curriculum (MITIOG) in some Religious Education/Health and Personal Development lessons. This curriculum has been endorsed by our Bishops here in South Australia and was developed by the Catholic Education Office in 2010. As the bishops state in their letter of mandate...

Education in human sexuality is a vital component of education within the Catholic faith as through this education students explore our Christian vocation to love which leads us into a responsible and fulfilled Christian life. When such education is undertaken in the formal context of schooling, it requires a high level of partnership between parents and teachers. This partnership is fundamental to the Made in the Image of God program.

This program is firmly based upon Catholic moral teaching and calls upon such sources from the Tradition as sacred scripture, the Catechism of the Catholic Church, papal documents such as Gaudium et Spes and Familiaris Consortio and other important Vatican documents such as Educational Guidance in Human Love and The Truth and Meaning of Human Sexuality. Made in the Image of God provides us, as educators in faith, with a human sexuality curriculum that respects the dignity of the human person and is grounded in the human vocation to love. The holistic nature of human sexuality and our core calling to live a responsible Christian life are key themes in this curriculum area.

If you have any queries about the MITIOG curriculum please do not hesitate to contact me and I will be happy to show you in more detail what the students from Year 8-11 are focusing on.

**COLLEGE NEWS**

**COLLEGE PHOTOS**

The photo order packs for Master Portraits are enclosed. All students must bring their envelope, with the correct money (WE DO NOT PROVIDE CHANGE) on the day.

Each student should receive their own envelope for the ordering of individual and group photos. Each student requiring photos must return an envelope, even if payment is enclosed in a brother’s or sister’s envelope.

Family photo order envelopes are also available. Those wishing to have a family photo must collect a family envelope from any campus office.

If you know in advance that you will be away on the day of your campus photos you may arrange for your child to have their photo taken at one of the other campuses.

Spare envelopes are available at the front office of each campus if you did not receive an envelope for any reason.

Full formal winter uniform must be worn for photos.

Tuesday, August 7  -  Saint John’s Campus
Wednesday, August 8  -  OLHC Campus
Thursday, August 9  -  St Teresa’s Campus

Prices for Individual Photo Packs are on the envelopes.

Parenting Ideas by Michael Grose:
Raising Mighty Boys

Understanding what makes boys tick helps to make parenting easier for the males in your life.

They want to blend in
Boys just want to fit in. They are group-oriented by nature and tend to be very loyal to their friends. As a rule, they don't like to stand out from the crowd so they respond best to private praise and won't respect you if you embarrass them in front of their friends.

They need a disciplined approach
Boys usually like limits and boundaries. They make them feel safe and secure. They also like to know that a parent will enforce the house rules, so don't be afraid to be firm, although you don't have to use the same authoritarian methods as parents in the past may have used. Firm, fair and consistent are the keys to effective discipline for boys.

They are pragmatic learners
Boys have a specialist brain, which tends to be logical and rational. They don't have the same connections between the right and left side of the brain that girls have. This can be a hindrance particularly when careful communication is needed, or multiple viewpoints need to be considered. That's why parents often have to coach boys of all ages in the finer points of communicating. However, it's an advantage as it can help them focus hard on tasks, make quick decisions and get to the point when needed.

They are single-minded
Boys have a specialist brain, which tends to be logical and rational. They don't have the same connections between the right and left side of the brain that girls have. This can be a hindrance particularly when careful communication is needed, or multiple viewpoints need to be considered. That's why parents often have to coach boys of all ages in the finer points of communicating. However, it's an advantage as it can help them focus hard on tasks, make quick decisions and get to the point when needed.

There is no doubt that raising boys can be a challenge for many parents. Those who do best understand and appreciate how they think, feel and behave and adjust their parenting.
**PATRONS DAY**

This week Saint John’s Campus will celebrate the Patrons of our College through Mass and outreach activities to support the charities which our college supports.Later in the term the primary campuses will also celebrate Patron’s Day.

Patron’s Day at Saint John’s Campus is a day to celebrate who we are as a Catholic community, to recognise the gifts and talents we have and to reach out to those in our community who are in need. As a Catholic community we have a responsibility to work for social justice and equity in our world. We cannot do this alone so we work to help specific groups in our community. The college, through the work of the Student Council, supports Catholic Missions, St Vincent de Paul, Whyalla Branch and the Edmund Rice Foundation. The Student Council also nominates a charity to support each year and this year it is the Cancer Council.

Our patrons are men and women who have been honoured by the founders of our college. They demonstrated qualities that were inspirational and connected the community to the example of Jesus. The names of the schools (now campuses) became synonymous to all, who had anything to do with Catholic education, with the mission of the school.

Over the next few weeks in the newsletter I would like to shed some light on the patrons of our college and help our community to revisit each patron.

*Bernie Meixner*

### OUR LADY HELP OF CHRISTIANS

Our Lady became the helper of the human race for the first time when her prayers were heard and God sent His Son to rescue the world from sin.

She accepted the invitation of God to be the Mother of the Messiah when she responded to the angel: "Behold the handmaid of the Lord; be it done to me according to thy word" (Luke 1:38).

Her desire to help was imminent during her intervention at the wedding of Cana, when she manifested to the Lord that they had no wine and prompted Him to perform the first miracle by changing water into wine. (John 2:1-11) In this passage of scripture She demonstrated her power of intercession.

But her desire to help was increased by added responsibility given to her at Calvary when Our Lord made her the mother of all the redeemed children of God in the person of John the Apostle, "behold your son" (John 19:26). This passage of scripture offers a wonderful link between Our Lady and John the Evangelist which resonates in the link between Saint John’s Campus and Our Lady Help of Christians Campus that now exists in Whyalla.

As Mother of God’s children, she has responded by helping Christians throughout the ages. She has done this by coming to the aid of individuals, families, towns, kingdoms and nations. Prayers are offered to Mary for God to help us in times of need.

The Feast of Mary Help of Christians is celebrated on May 24 each year.

Mary is the Patroness of Australia

### PRIMARY CAMPUS NEWS

#### SCHOOLS’ TREE DAY

The primary campuses celebrated National Tree Day this week. The Student Representatives from each class across the primary campuses and Ms Louise Gogoll took part by planting trees on each site. A special thank you to the groundsmen, Mr Geoff Hawes, Mr Bob Branson, Mr Buckler and Mr Wanganee for preparing the holes.

#### WOOLWORTHS/COLES COMMUNITY PROGRAMS

Thank you to all the families who have been bringing in the sticker cards and vouchers from Woolworths and Coles Supermarkets, they are slowly amounting across the three campuses!

It’s not long now, both programs will be ceasing early next month:
- Woolworths - Earn & Learn Program ceases - August 12
- Coles - Sports for Schools Program ceases - August 15

#### SCIENCE LESSONS

This semester, we are introducing the Year 7 Cross Campus Science Program, where the students will further their understanding of Chemistry through lessons taught by their class teacher at Saint John’s Campus Science Labs. The program will run in Week’s 3, 6 and 9, on a Monday afternoon and a Thursday morning, where the students will become familiar with the practical components of science, while using the Science labs and equipment. These visits are also assisting with the transition process from the primary to the secondary campuses for 2013.

#### COLLEGE PHOTOS

Next week, we will be having school photos across the three campuses. Family photos will be taken first thing in the morning, 8:30 am on each of the primary campus.
- OLHCC – Wednesday, August 8
- STC – Thursday August 9
SAPSASA – HOCKEY

Congratulations to three of our students – Mirella Marino, Austin Wilson (OLHCC) and Cadell Herbert (STC), who have been selected to represent SAPSASA at the forthcoming School Sport Australia Hockey Championship, which will be held in Melbourne next week, August 5-10. We wish them all the best!

LOWER EYRE PENINSULA SAPSASA BASKETBALL

Students from Samaritan College primary campuses participated in the Lower Eyre Peninsula SAPSASA Basketball Day on Tuesday. Both the girls and the boys teams went through the minor rounds undefeated and finished top of their pools. In the finals, they came up against some more difficult competition, but both won through to the grand final. The girls team took on St Joseph’s from Port Lincoln in the grand final, winning easily. The boys game was also against St Joseph’s but was a lot closer, and went into overtime. Samaritan scored quickly and held the lead in overtime, winning by 3 points. All students played extremely well throughout the day, and demonstrated outstanding sportsmanship on and off the court. Well done! Our teams are now eligible to participate in the State Championships in Adelaide in Week 9 of this term.

Students who participated were: Katelin Morgan, Madeline Foran, Alice Morgan, Madison Hoffmann, Sophie Peden, Olivia Andon, Kelsi Eldridge, Kiarra Leopold, Erin Salopek, Mikaela Wood, Riley MacDiarmid, Aaron Rogers, Jared Inglis, Cameron Acton, Alex Stuppos, Clay Crompton, Blake Vitaljic and Todd Corbett.

CONFIRMATION

Thank you to all who attended the Confirmation Parent Information Evening last week. It was a great opportunity to meet the families and sponsors who are supporting our Confirmation candidates. Thank you to everyone who is offering their prayers and support to these students as they make their next step in their faith journey.

Yours in faith, wisdom and compassion

Eleni Vailas
DEPUTY PRINCIPAL

MASSES AND LITURGIES

Next week at St Teresa’s Campus

Year 6/7 Usher will celebrate Mass at St Teresa’s Church on Wednesday, August 8 at 9:00am. Students are to meet at St Teresa’s Church by 8:45am.

Next week at OLHC Campus

Year 6/7 Keen will celebrate Mass at 9:00am in the Church on Thursday, August 9.

ASSEMBLIES

Next week at St Teresa’s Campus

Year 2/3 Murray will host a Junior Assembly in the library at 2:30pm on Friday, August 10.

Next week at OLHC Campus

No Assembly

Bernie Meixner
ASSISTANT PRINCIPAL IN RELIGIOUS IDENTITY AND MISSION

Step, cycle or scoot and give the car the boot!

Active travel is using your body to get where you’re going, by walking, riding or scooting to school.

The number of people walking to school has fallen a lot in the last 40 years. Back in 1970, more than half of Aussie kids walked to school. By 1994, less than a quarter were walking to school.

Over the years, more and more people have used cars to get around, even when only travelling short distances in their local area.

But getting out of the car and getting into active travel - either part of the way or the whole way - can make you and your kids feel great!

Parents and kids can walk or ride together, have fun and stay fit. Kids, why not suggest it to mum or dad?

It’s time to Think Feet First!

For more ideas on how to Think Feet First, visit opal.sa.gov.au
**SECONDARY CAMPUS NEWS**

**YEAR 10 INFORMATION EVENING**

This important session is Tuesday, August 7 at 7:30pm at Central Whyalla Football Club. All students and at least one parent needs to attend as very important information about how to complete the SACE, planning for what happens when leaving school and even information on how to plan now in order to attend university in 2015 is provided.

**YEAR 12 INFORMATION EVENING**

Year 12s are strongly encouraged to attend an information session about post school options on Wednesday, August 8 at 7:30pm in the Campus Lecture Theatres (not Centrals). At this session students will hear about employment options at OneSteel/Arrium, how to apply for University and TAFE, where to live in Adelaide and other general advice about life after school. Students and at least one parent should attend. Current Year 11s are also invited.

**SAINT JOHN’S DAY**

This is tomorrow. Following on from information provided in last week’s newsletter the students need the following for tomorrow: appropriate coloured clothes for walking, hat, drink bottle, money for lunch/stalls and $5 ‘entry’ for the day which includes coloured clothes donation. All students are expected to attend and our start/finish times are as normal.

**PHOTOS**

These will be taken on Tuesday, August 7. Students need to be in regular winter uniform. If they have PE that day they can bring that uniform separately but photos will only be taken of students in winter uniform. The College rules on hair, make-up and jewellery still apply for these photos.

**HEAD LICE**

There has been three cases of students with head lice so it is recommended that you check your child and your other children each day during this outbreak.

It is best to inspect the hair in a bright light or sunlight using a magnifying lens. Symptoms include excessive itching on the scalp and especially at the front, nape of the neck, behind the ears, under the fringe and at the base of plaits and ponytails. Further information about treatment and prevention can be found here: http://www.sa.gov.au/upload/franchise/Education,%20skills%20and%20learning/HeadlicePreventionandTreatment.pdf or please ask the front office for a copy.

Kind regards

Damien Judd
DEPUTY PRINCIPAL

**STAGE 2 RESEARCH PROJECT**

Congratulations to the Year 12 students and teachers on another successful round of Research Project results. As was the case last year, every Year 12 student enrolled in the Research Project and the Research Project: Modified received the required C- grade or higher. A special congratulation must go to those students who received grades in the A band:

- Ashlee Ellis
- Preshena Prem
- Tim Fulton
- Laura Shaw
- Sarah Main
- Jessica McMullen

We are hopeful that the Year 11 students, all of whom are undertaking the Research Project or the Research Project: Modified will achieve similarly pleasing results.

Tanya Gibson

in order to make as much profit as possible over the given timeframe.

Students will need to invest small amounts of time each week at either a recess or lunch time in a computer room, where they can trade their shares while the real sharemarket is in operation.

For any students wanting to find out more, they need to express their interest on the Sign-In Sheet on the Toal Office door, or speak to Mr Hall.

Registrations close August 10.

Tony Hall

SPORTING ACHIEVEMENTS

A big congratulations to William Carter who has demonstrated great enthusiasm and skill in Football umpiring. During the school holidays he umpired the MAC state Country Championships in Berri, the under 15 State Championships at Thebarton and AAMI Under 17 Youth Championships at Thebarton.

Kirby Howell

SAINT JOHN’S DAY MASS

Mass will be held in Samaritan Hall at 9:15 am on Friday, August 3. Parents are most welcome to join us to celebrate our Patron saints and our Catholic identity and mission.

DONATIONS FOR ST VINCENT DE PAUL

Please send in donations of non perishable food items to support St Vincent de Paul and reach out to those who need a helping hand in our community. Donations can be sent to your child’s class at Saint John’s Campus.

Bernie Meixner

ASSISTANT PRINCIPAL IN RELIGIOUS IDENTITY AND MISSION

MINAKUCHI EXCHANGE 2012

After months of planning and preparation, our Japanese guests from Minakuchi High School in Kōka have finally arrived, and in a blink of an eye, we are already half way through this year’s exchange.

This week, our guests have had the opportunity to engage with some regular Australian classes, bake scones, practice their English skills, learn some Australian sports and meet many new friends. On Monday, they were able to see some wildlife up close during a day trip to Mambray Creek in the Mount Remarkable National Park with their host students, with some of the Japanese students getting up close and personal with kangaroos, emus and kookaburras.

On Tuesday afternoon, a trip to Amaroo Lodge was in order, with our guests meeting and sharing afternoon tea with the residents. Wednesday gave the Japanese a chance to interact with the children at Neta Kranz Children’s Centre, which is always characterised by smiles and curiosity. Tonight’s SRC Fluro-themed Social is one of the most anticipated events on the schedule, and I am sure many will be writing about the new dance moves they will learn in their English and a Second Language classes next week.

A special thank you to all of the people involved in this year’s exchange, especially the host families for opening up your homes for two weeks.

Sayōnara!

PARENT COMMUNITY WHYALLA SHOW STALL
SATURDAY AND SUNDAY, AUGUST 18 & 19, 2012

The Whyalla Show Food Stall will be run as a Samaritan College Parent Community Event. The show stall is a wonderful way to contribute to the wider Whyalla Community. In order to provide efficient service we will need approximately 40 people to work the various shifts.

Working in the stall is great fun, although hard work at times. There are jobs for all talents - cooking, making up steak sandwiches or selling from the front of the counter. Please Note! If you are not able to work a whole shift you may wish to share your shift with your spouse or a friend. However, if you are very brave you may wish to work two shifts.

Please consider your participation and fill out and return the slip by Friday, August 10.
Thank you for your prompt attention, The Samaritan College Parent Community Show Committee
