Dear families,

Humility is the prevailing theme in the readings of this 22nd Sunday in Ordinary Time. It begins with the Lord’s reminder to us in the Gospel from Luke, “For every one who exalts himself will be humbled, but the one who humbles himself will be exalted.” There is a difference between humility and putting oneself down. Jesus is not calling for us to act as if we are less than someone else. He does, however, want us to have a realistic view of ourselves in relation to God and in comparison to other people. Humility is a very powerful virtue.

Rather, when you hold a banquet, invite the poor, the crippled, the lame, the blind; blessed indeed will you be because of their inability to repay you. Luke 14:14

Samaritan Spectacular

What an absolute joy it was to witness the talents of so many of our students last week performing on stage at the Middleback Theatre. The great variety of the acts, the gifts shared and the entertainment provided made it a very special night. Special thanks to Lisa Howard & Julia Antilla (directors), Melinda Gray, Winnie Fitzgerald & Lisa Judd (creative arts coordinators), Sarah Smith, Jodie Hopkins, and Megan Spirat – for all the work preparing the students. Thanks to Carly Higgins, Kirby Howell, Kirsty Howard, Kerri Smith for their work backstage. And also to our prac teachers Jenna Bell and Bronwen Murphy and to our ‘pseudo’ staff members Alison Hams and Mark Tempany. We make special mention of the great work of the naturally comedic students hosts Jacob Castle and Josh Deluao.

Secondary Sports Day is tomorrow and Primary Sports Day is Friday week. All students are expected and required to attend. Parents and family are encouraged and welcome to attend. Even though it is Term 3, these days qualify as a day when school hats should be worn.

Primary Families

All families at our primary campuses have been sent home a 2014 Intention form. As our forward planning has already begun, we need these returned from ALL families to indicate where their child/ren will be attending school in 2014.

This week our bishop and priests are on retreat at Sevenhill. We are mindful of them as they have a few quiet days for reflection and time to catch up with the other priests from around the diocese.

Last Tuesday evening we had an enquiry night for people who are interested in learning more about the Catholic church, there is no need to think that you wouldn’t fit in. The vast majority of the members of the church are ordinary people with ordinary faults and failures, attempting to do the extraordinary in being faithful to the way of Jesus. We hold the sessions on Tuesday evenings fortnightly at 7:30 pm (not during school holidays). The next session is on Tuesday, September 3 at Our Lady Help of Christians Parish meeting room. If you would like to find out more about the process/programme, please phone Sr Cheryle at the Parish Office on 8645 8023 or just come along.

We are in our final few weeks of preparation before Bishop Greg will visit our Parish for the Sacrament of Confirmation. I was pleased to attend the workshop with the students on Friday and see the way they interact with each other and entered into the spirit of the day.

Congratulations to the many talented students who took part in the Samaritan Spectacular last Thursday evening. It was a very enjoyable evening – when I saw how much talent there is I thought it would be great to see some students involved in the Sunday evening Youth Mass at Our Lady Help of Christians Church. Youth Mass is at 5:30pm once a month. Please contact the Parish if you would like to be involved.

COMMUNION OF SAINTS

Last week the Year 7 Confirmation candidates participated in their second workshop to prepare for receiving the sacrament. The students have chosen a Saint whose quality they admire. Over the weekend the confirmation candidates affirmed their chosen Saint to the parish community by stating who they had chosen and what qualities they admired in their chosen Saint.

It is important to note the significance of choosing a Saint for these young candidates. The Saint they chose lived their life to bring about the reign of God on earth. They worked to honour the calling they received to follow Christ’s teachings to bring love, justice, peace and compassion to the world. So the students have thought about a Saint whose actions and qualities they found inspirational and will use this name at their confirmation.

The Saints are important for the candidates as they are for all Catholics. When we pray the Creed we state the beliefs of the church and the Saints are mentioned in this prayer.

I believe in God, the Father Almighty, Creator of heaven and earth; and in Jesus Christ, His only Son, our Lord: Who was conceived by the Holy Spirit, born of the Virgin Mary; suffered under Pontius Pilate, was crucified, died and was buried. He descended into hell; the third day He rose again from the dead; He ascended into heaven, is seated at the right hand of God the Father Almighty; from thence He shall come to judge the living and the dead. I believe in the Holy Spirit, the Holy Catholic Church, the communion of Saints, the forgiveness of sins, the resurrection of the body, and life everlasting. Amen.

The communion of Saints mentioned in this prayer refers to the Saints who are in heaven to whom we pray and look for guidance on how to be followers of Christ. It also refers to members of our families and community who have died and who we now pray for that they too may enter into the kingdom. Finally we also pray to the people on earth who strive to follow God’s will.

We pray for these candidates, their families and the parish community, that the Risen Christ will be with us at this significant time.

Saint John the Evangelist … Pray for us

On August 21 and 22 we held our tri-annual ‘Samaritan Spectacular’. The students involved starred in two matinees and an evening performance to the delight of their audiences.

The show opened with a liturgical dance to the song ‘You Raise Me Up’, performed by some talented dancers from the Our Lady’s and Saint Teresa’s campuses. “Emcees” Jacob Castle and Joshua Deluao then went on to introduce the Saint Teresa’s students performing in a comedy skit and monologues. This was followed by the beginners ‘Principiante Primary Band’. These students have been learning their instruments for less than a year, and this was their first opportunity to demonstrate their developing skills on stage. Joeulla Coulthard then led a group of young primary students in singing the indigenous song ‘Oh My Warla’, which many audience members also joined in. The Catholic Schools Music Festival Choir, led by Mrs Fitzgerald and Ms Gray, sounded amazing, as did the following Year 10 Band. The ‘Contrasts in Dance’ piece, showcased a tap routine by Erryn and Sophie, and a contemporary piece performed and choreographed by Our Lady’s student, Jasmine Samu. The Stormfront students performed a ‘Rock and Roll Medley’ to the songs of Elvis with their tutors, Mark Tempany and Alison Hams, which had the audience tapping their feet. Stormfront student, Year 12 Rhiannon Butt, closed Act 1 with a delightful rendition of ‘Put Your Records On’.

Act 2 was just as entertaining, beginning with the ‘Avanzato Primary Band’, who played a selection of songs, including ‘Stadium Rock’. This was followed by Stormfront student, Year 10 Alana Bray, performing an acoustic version of ‘The Scientist’. Saint Teresa’s students then entertained the audience with their energetic ‘Dance Off’, which allowed the students to show off their hip-hop moves. Ms Gray then conducted the Our Lady’s ‘Junior Voices’, who proved just how much fun singing and shaking maracas can be. Year 11 student Matt Ryan then performed the song ‘Ever long’, demonstrating his advanced guitar skills. The Stormfront students then returned to the stage with tutors Alison and Mark, to perform their popular charity song ‘The Jelly Baby Song’, which was written in hope of finding a cure for type 1 diabetes. This was followed by the highly amusing ‘Year 9 Melodrama’, as directed by Mrs Sarah Smith. This silent piece was a great example of how good acting will never go out of fashion. Mrs Fitzgerald’s ‘Instrumental Group’ then took to the stage, followed by the ‘Rising Stars’ performing the song ‘I had a Dream’. When Crystal Whittaker took to the piano to
sing ‘If I were a Boy’, the crowd was blown away by her amazing voice and advanced piano ability. To end the show, Jacob and Josh performed a comedic rendition of ‘Be Prepared’ from ‘The Lion King’ and Year 12 students Amy Denton and Madeline Rademaker performed the song ‘Clarity’ to an enthralled audience, accompanied by Josh Deluao on the piano.

So many members of the Samaritan community worked together to make this show a success. The Samaritan College leadership team were very supportive in the lead-up to the Spectacular and the Middleback Theatre staff were very accommodating to our large group. The Saint John’s Campus front office staff also assisted with many of the administrative tasks. Kristy Howard and Kirby Howell kept the backstage areas organised with the help of Tash Free, Kerry Smith and pre-service teachers, Bronwen Murphy and Jenna Bell. Jodie Hopkins made a lovely static display in the Middleback Foyer and Megan Spirat passionately conducted the ‘Principiante Primary Band’. Sarah Smith can be commended for directing the entertaining Melodrama and we also thank Mark and Alison for the work they have done with their Stormfront students. Di Hancock assisted by organising the ‘Oh My Warla’ number and Carly Higgins did a fantastic job organising the stage as our Stage Manager. Winnie Fitzgerald and Melinda Gray were, as usual, instrumental in coordinating and organising our primary students in their many acts and we particularly thank the Year 10, 11 and 12 Music classes, who acted as our Stage Crew. Jacob Castle wrote a very comedic script and, partnering with Joshua Deluao, they made excellent ‘emcees’. Our Assistant Director, Julia Anttila, worked so wonderfully across the three campuses to prepare the music numbers and most of the staging specs, as well as coordinating the Stage Crew and conducting the ‘Avanzato Primary Band’.

We had wonderful audiences over the three performances, and we can’t wait to see you all again next year for the ‘Samaritan College Concert Night’.

SECONDARY CAMPUS NEWS

Over the last few weeks the Secondary Campus has been represented by students at a number of different events. Whilst the student success has been highlighted in previous newsletters I’d like to take the opportunity to thank those staff who were responsible for organising the overnight stays and supporting our students. Miss Julia Anttila ably supported the students who embarked on the tour with the Whyalla Schools Stage Band. Her passion in this area is evident as she continually explores ways for students to see Music as a realistic option in the future.

A number of different girls sports teams have been in Adelaide for their finals. These were supported at different times by Miss Kirby Howell, Miss Courtney Taylor and Mrs Kathy Smith. Kirby and Courtney both have a great deal of passion in the sporting arena and were keen to see our girls succeed in their finals.

We undertook a new competition when Mr Tony Hall entered Year 9 students into the Science and Engineering Challenge. As this completion was targeted towards Year 10 students, we took it as a good stepping stone to build on the current curriculum that is being taught in our classes and an opportunity to prepare the students for next year. As the winners of the local event Tony had to work quickly to put everything in place for State Final held in Adelaide. Although we didn’t win, the opportunity for improving student learning was invaluable.

Whilst Mr James Keating has acknowledged the teachers who accompanied students on the Murray Venture it is important that he be commended for his role. I know from previous experience the massive undertaking that James was committed to, and the risk associated with outsourcing this camp. James showed commitment to maintaining the traditions of Murray Venture and started the process of finding a suitable organisation in February this year.

SCHOLARSHIP FOR YEAR 12

Every year the Knights of the Southern Cross give two scholarships to Year 11 students which go towards their school fees for the final year of their schooling. Each scholarship is worth $1500 and are usually given to one male and one female. They also try to give to one student
in regional areas and one student in the metropolitan area. Those students who are actively involved in the Catholic Church are encouraged to apply. Applications close on September 30 and the forms can be collected from the front office of the Saint John’s Campus of Samaritan College.

**SPORTS DAY**

This Friday the secondary students will be involved in the annual Athletics Carnival held at Jubilee Park. All students are expected to attend for the day in their house colours. They will need to report to their Caregroup teachers at the start and end of the day, and to participate in some events. All points awarded on the day will go towards the Glory of Guidiera Cup that is presented at prize night in December.

**EDUCATION NIGHT**

Thank you to those parents who attended the Education Night for our Year 9 students. Your willingness to relocate to the Saint John’s Campus, due to a West Whyalla power failure, was appreciated. Students should be looking to complete and return their subject selection forms by Wednesday, September 4. Forms and subject descriptors are available from the College website under the Curriculum & VET section of the Learning menu. Due to the popularity of some subjects students may miss out on an elective if they studied it this year.

The Year 8 Education Night is scheduled for Tuesday, September 3, at 7:30pm. This will be at the Central Whyalla Football Club and, in the event of further power interruptions, will be moved to the Mezzanine level of the Samaritan Gymnasium.

**WHEELCHAIR SPORTS**

On Tuesday August 20, we were lucky enough to have 2 representatives from Disability Recreation and Sports SA, visit Samaritan College. Students from Year 10 were given the opportunity to find out how challenging it would be to be in a wheelchair.

The presenters Tony and Beau brought 16 wheelchairs and after talking to the students about their own disabilities and safety issues, some Year 10 students were able to experience what it was really like to be in a wheelchair by participating in a game of wheelchair Basketball.

This was a very exciting day for one of their class mates, Callum who is in a wheelchair. He described the day as “It was awesome”. It was great to see the Year 10s participating in the day with such great enthusiasm and participation.

**SRCs SHARING A MEAL**

Our semester one SRC representatives and newly appointed semester two representatives are this week sharing lunch with Damien and myself to affirm their work as leaders at Samaritan College and also hand over leadership to each other. Keep an eye out for their names in next week’s newsletter.

**SAMARITAN SPECTACULAR A SUCCESS**

Last Thursday night I had the privilege of seeing the Samaritan Spectacular. Congratulations go to all students who sang, played, danced, dramatized a role in the spectacular. Also to all staff involved that prepared the students for the night. We were all able to clearly see the progression of The Arts from our very young students right through to our Yr 12s. There is no doubting the benefits of offering students the opportunity to perform in such a setting. Such benefits as the growth in, cognitive, motor, language, and social-emotional development. A unique once in a lifetime opportunity for some.

Grace and blessings,
