Welcome to a cool start to Term 4. We trust the students have enjoyed some rest and healthy recreation during the holiday break and that families have enjoyed some relaxed time together.

We are looking forward to an action-filled term with many community events. In particular the pantomime is almost with us. The cast have been undertaking full rehearsals this week and the costume and set workers are busily finalising many last minute items. We look forward to our community’s support in being a wonderful audience from Thursday to Saturday, October 29-31.

There are many transition activities for the Year 7 students with their Orientation Tour occurring on November 6. In addition to their Transition Day in Week 6, the Year 7s will also be involved in a secondary sports day for the first time, on Friday, November 27.

International Night is our significant Parent Community event this term, held in Week 6, Friday, November 20. This is usually a beautiful night weather-wise, and the lively and positive atmosphere is appreciated by all. Such events do not happen without immense help from a wide range of people. We ask that you consider assisting even in some small way. Parents and friends involved in the stalls have such fun and get to meet many new people. Please complete the insert that will appear regularly in the next few weeks’ newsletters.

During the holidays I had the pleasure of conducting school tours for old scholars’ reunion groups. What inspires me the most is their attachment to their school and fond memories of their time with us. Making a child’s school memories something to be proud of is a legacy that we endeavour to uphold. There are so many examples of opportunity for the individual to seize; initiatives to improve teaching and learning methods to cater to the 21st century child in context will continue to challenge and excite us in catering to all children’s needs.

On Monday all staff engaged in professional development in the new Child Protection curriculum; an essential “non-negotiable” in every classroom. In addition to the formal curriculum, we also explored at length “teachable moments” when children raise issues that are best not ignored. There are many opportunities for teachable moments at home too. At times the College has had to deal with aspects of child protection; a sensitive and challenging issue that also must be handled in a sensitive way, respecting, at all times, the privacy and dignity of the individual. We ask all members of our community to adopt such a position of respect for safety and dignity if you are ever concerned about a matter of child protection; reporting any child safety matter to either Chris or myself in confidence.

We welcome to our community our new staff; Roger Hawke who is taking over from Rebecca Sinclair as she takes up a role as “Literacy Expert” across the primary campuses; Tracey Pitts who will be taking NIT classes in the library for Fran Mason; Amy Boundy who will be sharing Marg Harris’ R/1 class as Marg reduces her time to .5; and Adel Elhelawani who will be teaching and tutoring Mathematics and Physics; Alex Tulio replacing Sarah Wohling; Michelle Lew, replacing Robyn Byles who is on leave. We trust that they will enjoy the welcoming hospitality of the Samaritan and wider Whyalla community.

Let the little children come to me!

Our Whyalla Catholic Parish has been chosen to pilot the development of the Policy for the Care, Wellbeing and Protection of Children and Young People.

The new guidelines enable us to audit the procedures implemented these past years, while at the same time providing ways to tighten up our accountability and responsibility, to make child safety our highest priority. This happily coincides with the curriculum for child safety at Samaritan College, which Terissa has highlighted in this newsletter.

In our tradition, we recall the words of Jesus, describing the simplicity of faith - “unless you become like little children, you will never enter the kingdom of heaven”. At the same time, he rigorously asserts the rights of all who need our care and protection - “If anyone should cause one of these little ones to go astray, it would be better that a great millstone be tied around his/her neck ...”.

As a parish family, we see the need to place children at the centre of our lives, and at the centre of our worship. As adults, we remember that we have a responsibility to bring our children to Mass and the sacraments, recalling once again the words of Our Lord - “Let the little children come to me, and do not stop them, for it is to such as these that the kingdom of God belongs!”

FRIEND OF LEPERS – A SAINT

On 11 October 2009, Father Damien of Molokai was canonised, becoming the latest Catholic saint and an example of love for those rejected by society.

Catholic Mission joins with the international Catholic community in supporting the canonisation of Fr Damien, celebrating a life of sacrifice and servitude.

“Today we celebrate Father Damien’s life given for all who are excluded or ostracised. Father Damien was Christ to the people of Molokai,” said Martin Teulan, National Director of Catholic Mission.

As a young priest in 1873, Fr Damien left his home town in Brussels for the isolated island of Molokai, Hawaii, to work with leprosy patients. He described the island as “hell on earth”.

He lived and worked in the colony for 16 years until he died of leprosy.

“Father Damien dedicated his life to helping the people, amidst the most shocking conditions,” said Martin Teulan. “Today we are challenged to follow his example, and reach out to those who are rejected and forgotten.”

Despite now being curable, people with leprosy still face stigma and social exclusion. So do their children.

Catholic Mission supports the work of the Church internationally to help people living with leprosy and HIV/AIDS, another disease where sufferers are ostracised by their communities. The funding support enables priests, sisters and lay workers in these communities to provide medical care, shelter, rehabilitation, pastoral outreach, and a place of acceptance.

Mother Teresa showed great admiration for Fr Damien and supported his canonisation. When asked what miracle he had performed, Mother Teresa simply said, “Damien himself is a miracle.”

As a parish family, we see the need to place children at the centre of our lives, and at the centre of our worship. As adults, we remember that we have a responsibility to bring our children to Mass and the sacraments, recalling once again the words of Our Lord - “Let the little children come to me, and do not stop them, for it is to such as these that the kingdom of God belongs!”

UNIFORM FOR ALL STUDENTS
Summer or winter uniform may be worn for the first 2 weeks of term, to allow for seasonal fluctuations. Please ensure that sports uniform (including socks) is worn on the correct day for sports/PE.

UNIFORM Q & A

This section will be in the Newsletter from time to time to hopefully address often asked questions and to assist the community in understanding the extensive thinking and planning behind the uniform. These scenarios below are a compilation of uniform enquires…

Please be assured that at all times Kerry and Sharon are doing their utmost to cater to everyone’s needs.

Q: Why can’t the R/1 and 2 girls wear the dress?
A: The Smartplay concept was adopted for R-2 with transition in Year 3 because the early childhood years engage in considerable “mat-time”. Students reported trouble with buttons in the surveys and Mums complained of staining on light blue shirts. Staff observed the need for dignity for girls with regard to handstands and playground use. Dresses and skirts were often so oversized lengthwise that ‘cute’ actually hindered activity.

Q: Do the boys have to be in certain pants at certain times?
A: No. There are three waist styles to accommodate growing bodies, but the changeover is only a guide, as all children develop at different rates. You will notice that early childhood years has a fully elasticated waist, whereas the middle years has half band/half elastic and the older boys move into a full waistband. It would be expected, as a rough guide, that by secondary school, the young men have moved out of elastic, at least by the end of Year 8.

Q: Why isn’t there a warm blazer like in Adelaide Colleges?
A: Following the experience of Saint John’s in the past, the committee opted to not have a blazer as we are not a ‘blazer culture’. Instead, a shower proof jacket was adopted (fleecy lined for primary and scoop hem for seniors), which is both smart and practical, and a good price. Students will need to wear it if they want to wear an outer garment in bad weather.

Q: How come there is not enough stock in certain sizes?
A: When setting up the first orders for the uniform, the ‘take-up’ by the primary sector could not be anticipated, and it has exceeded our expectations, as we thought people would take more advantage of the five year phase-in. Whilst it has been terrific that people have adopted the new uniform, this has put pressure on availability. With follow up deliveries being slower than expected with some items, the shop has been in the difficult position of under supply with one or two sizes in certain items.

Q: I know the delivery delay is out of the shop’s control, but aren’t we with a reputable uniform supplier?
A: Unfortunately we have taken up a new uniform as the bottom fell out of the dollar. Permapleat our supplier, has had to contend with many of its manufacturers going out of business in the past 12 months, with the need to source and quality test new companies. This has impacted on delivery.
FIRST RECONCILIATION

This term the Year 3 students in the College and Parish will be preparing for the Sacrament of Reconciliation. It is an exciting time for the children and their families and we ask that you keep them in your prayers as they prepare for this sacrament.

The enrolment weekend for the Sacrament of Reconciliation is this weekend October 17 & 18. The Parish requires each student to enrol for the Sacrament. To do this, families need to attend any Mass over the weekend and collect an enrolment form and timeline for Reconciliation.

The Parent Evening will be held on Monday, October 19, 7:30–8:30pm at St Teresa’s Parish Hall. It is very important that parents and students attend this evening. Our evening will conclude with a short Liturgy of the Word where the students will be presented with their commitment cards and home booklets.

Letters regarding the program for First Reconciliation will be sent out this week.

This term is in full swing already! I look forward to working with you and your children throughout the term.

**OUR LADY HELP OF CHRISTIANS CAMPUS NEWS**

Welcome back to the very busy and hectic Term 4. I hope a restful and enjoyable holiday was enjoyed by all.

**MISSION MONTH**

The World Mission Month of October is an important time for the Church when Catholics all around the world take time to reflect on the great gift of God’s love in our lives and how we can share this with the whole world.

Catholic Mission’s theme this year is ‘Reach out. Give Life!’

On October 18 we celebrate World Mission Sunday. Pope Benedict XVI’s message for this special day is to reach out to the ends of the earth and to reach out with Jesus’ love to support those who are rejected and outcast by their own societies, especially people affected by leprosy and HIV/AIDS.

Catholic Mission has worked consistently to eradicate poverty in over 160 countries for more than 186 years.

**NEW STUDENTS**

We would like to extend a warm welcome to Ella Zilm and Ethan Inglis who are new reception children in Mrs Owens’ (Storr) class and Joseph Scharber and Thomas Wilson who are new Reception children in Mrs Sanders’ class.

We also welcome Caroline Johnston in Year 6 Turpin, Abbie Knights in Year 4 Usher and Justin Burke in Year 5 Usher. We wish these children and their families a long and fruitful association with Samaritan College.

**WHAT’S NEW?**

You may have noticed some things that are a little bit different at St Teresa’s Campus. The top oval is in the process of being rejuvenated with an underground watering system and new lawn seed being planted. We look forward to having a new grassed playing surface next year.

We have also had some new play equipment installed in the lower playground. In due course there will be additional equipment installed in the upper playground also.

CAMPUS COORDINATORS

Last term the students in Year 3/4 Opie and Year 4/5 Usher participated in a selection of activities run by volunteers from the Whyalla Eco Renovation and Information Centre (WERIC). The focus was to have students think about waste management, biodiversity and ways we can act sustainably. The students sorted common household items into things that can be reduced, reused or recycled, as well as discuss ways to minimise landfill. The students also learnt about native plants and created a living art collage using samples of plants native to the area. Peter Usher, Carla Opie and the Year 3, 4 and 5 students would like to thank Denise, Cathy and Jo for taking the time to visit St Teresa’s Campus and running the activities with us.

Carla Opie

As a College we support the work of Catholic Mission through our Religious Education curriculum, our prayers and our fundraising. If you would like to learn more about the work of Catholic Mission, you can visit the website: www.catholicmission.org.au

**WHAT’S NEW?**

The Junior primary playground is almost complete with the “soft fall” surface being installed this week. Shade over the new play area adjacent to the basketball courts is also a welcome addition as part of the ‘School Pride’ improvements.

This term is in full swing already! I look forward to working with you and your children throughout the term.

God Bless

INTERNATIONAL NIGHT
FRIDAY, NOVEMBER 20 from 6.00pm

A Parents Community initiative, International Night has always been a great opportunity to gather as a community before Christmas and enjoy a friendly evening of food, wine and entertainment, for new families to meet and greet and departing families to say farewell. For the evening to be a success, it will need to be a true community event, whereby, “many hands make light work”. Please consider helping out, even in some small way.

- Preparing a dish (reimbursement is available)
- Assisting with food preparation at the College during the day
- Donating ingredients
- Having a shift on a stall (perhaps gather a team of friends to help you – ITS FUN!!)
- Convening a stall
- Providing some entertainment – music, song, comedy, dance
- Helping with set up or pack up
- Providing equipment eg: bain marie, hot dog machine, etc (we can collect it)

If you are active in a community club and would like to run a stall independently for your club’s fundraising purposes, whereby just a small donation is made to the evening, please contact us at the College to discuss your thoughts. Our main aim is for variety and great atmosphere, so the more, the merrier. Please tear off the return slip below and return to school through your child’s care group teacher. Thank you, in eager anticipation.
