On Saturday evening, we had the pleasure of attending the final performance of Peter Pan Croc Rock, a fine display of talent, energy and commitment and a wonderful celebration of many months of preparation and skill development.

“To the students, the enjoyment you have provided to the audience during the past few days has been remarkable, with feedback nothing but that of positive acclaim. I hope, amidst the hard work and at times sacrifice, you have enjoyed yourselves; the relationship building across the College, the opportunity to develop your craft and the positive esteem that comes with that. Being involved and remaining committed to the development of a school musical to its fruition, is an opportunity that you have seized and will always remember as a significant experience in your schooling years. If this is the only one, or one of many that you have been a part of, congratulations to you for your dedication and commitment. The leadership amongst you all as fine young ambassadors of Samaritan College is truly evident and worthy of great applause”.

The talents of our children could not have been revealed in such a splendid way without the facilitation of hard working and passionate staff and parent volunteers. We thank Winnie Fitzgerald as Director, for pouring her heart and soul into the musical, and for bringing out the best in everyone, through sleepless nights, countless meetings and extensive rehearsals. We also thank Thomas Martin, Pierre Visser and Melinda Gray for your hard work, desire for precision, loyalty, flexibility and commitment to the cause. We thank Rebecca Sinclair and Rebecca McArthur for your time and commitment to leading the costume team in producing a fine array of pieces for the many characters. The list of helpers is many, which is a great joy in itself.

Thank you to staff, who contributed to the creativity, time and energy in so many ways: Diana Jeffrey, Louise Gogoll, Lisa Judd, Lisa Howard, Monica Cohen, Linda Plunkett, Joann Budrys, Bernie Meixner, Lou Whitehouse, Aimee Winkler, Mel Bowden, Alexia Cafcakis, Matt Thursby, Jade Vanzo, James Baeverstock, Stacey Hearne, Eleni Vailas, Bernie Healey, Virginia Mahoney, Heather O’Keefe, Di Hancock, Colleen Dowling and Alison Frkic.

Thank you to all our parent and friend volunteers whose additional assistance made all the difference to sharing the load: Peter Fitzgerald, Dean Shepherd, David Hullah, Steve Raymond, Peter Santucci, Ron Smith, Jackie Hancock, Paula Tarran, Rita Marinkovich, Jodie Goodwin, Petal Winkler, Corey and Lynley Beinke-Heath, Mark Cohen, Mark Plunkett, Carmel Rosalia, Zachary Beinke-Heath, Lachlan Jeffrey, Angus Shaw, Hung Tran, Joseph Gurney, Janice Stewart, Irene Palmer, Graham Johnston.

To run a whole College musical was a huge challenge for many. In many ways it symbolises our continued desire to build together as one family; which will aid smoother transition for our children during their schooling years, provide greater opportunities and assist in relationships and networking amongst staff, parents and students. Please see the list of students elsewhere in this newsletter who can be proud to have been a part of this great endeavour.

Dear parents and caregivers
On Saturday evening, we had the pleasure of attending the final performance of Peter Pan Croc Rock, a fine display of talent, energy and commitment and a wonderful celebration of many months of preparation and skill development.

This Friday morning the children preparing for Reconciliation will have their 2nd work shop at OLHC Church. It is a good opportunity for us to stop and reflect on what the Sacrament of Reconciliation means to us. Do we stop and say sorry for the times we have hurt other people.

Last Saturday evening when I saw the college performance of Peter Pan - Croc Rock, I was touched by the talent of all those involved in the production. What gifts and talents we have at the College let us always thank God for the gifts he has given to us and look for ways to use those gifts.

Our Parish has a team involved in the Relay for Life this weekend. I see this as an opportunity to put our Faith into Action. I am aware that many connected to the College are also involved. I pray it will be a special time for all those involved in this event is a good civic occasion for all, as many families are touched by cancer.

God Bless

“Reach out to the ends of the earth” is Pope Benedict XVI’s message for World Mission Day this year.

Samaritan College Primary Campuses will help support Catholic Missions next week when we participate in Physical Education Week. While we are spending the week being involved in healthy eating programs, physical activities and walking to improve our fitness, we will also be raising funds to support the work of Catholic Missions.

Catholic Mission calls all Australian Catholics to reach out with Christ’s love to support dioceses that help people affected by leprosy and HIV/AIDS. Through our efforts next week we aim to reach out to such communities as we are called to do.

In our small way we hope to reach out to communities in need and live the message of Christ in our lives.

REFLECTION

We are called to follow Jesus’ mission to create the Kingdom here and now, but remaining confident that God’s grace and help will support us as we follow in his footsteps. By reaching out to the unreached, we build the Kingdom together for the ultimate glory of all.

**YEAR 7 TRANSITION VISITS**

Year 7 students undertake their first independent transition visit to Saint John’s Campus this Friday, November 6. Students are to meet Mr Keating at the Rotunda near the administration entrance to the school prior to commencing their orientation. Tour groups, led by Year 11 students, will begin at the end of lunch time (1:50 pm) and students will be dismissed at the end of the day (3:25 pm).

**BE ACTIVE PHYSICAL EDUCATION WEEK**

During Week 5 both Primary Campuses will be participating in the **BE active Physical Education Week**. The purpose of the week is to provide the students with opportunities to be more physically active and to encourage them to start thinking about how they can become more energetic in their day to day life.

**BE active Physical Education Week** is not just about being active but also about making healthier choices when it comes to eating. Therefore both campuses will be having a Healthy Lunch Day on the Wednesday of Week 5, where students are encouraged to bring along something healthy for lunch. Making healthy food choices is something that can be more easily modelled at home, so parent support is paramount in assisting us with educating today’s youth about food. This may be a great opportunity for parents and their children to work together to prepare their lunch for Wednesday.

On Wednesday of Week 5, both of the Primary Campus’ Canteens will be having a modified menu to support this initiative.

LITURGY AND ASSEMBLY IN WEEK 5

Next week Year 5/6 Redelinghuys will celebrate Liturgy in the library at school on Thursday, November 12 at 9:30am. Parents are most welcome to attend Liturgy and stay for morning tea afterwards.

ST VINCENT DE PAUL

Every year we collect non-perishable foods and gifts for families less fortunate than ours at Christmas time. At our end of year Liturgy and Mass, these offerings are presented at the altar and given to the St Vincent de Paul Society.

A box to collect these goods will be in each classroom. Any donations for non-perishable foods (eg: cans, pasta, sweets etc), toys (new) or any suitable gift items can be left in these boxes. Please leave toys and gift items unwrapped so the St Vincent de Paul volunteers can determine which age group they will suit.

LITURGY OF THE WORD

You are most welcome to join us for Liturgy of the Word next Wednesday, November 11 at 2:45pm in the Church. It will be presented by Year 3/4 Hart. We hope to see you there!

God bless

SAINT JOHN’S CAMPUS NEWS

EARLY CLOSURE

STAFF PROFESSIONAL DEVELOPMENT

Yesterday, staff at the Saint John’s Campus were engaged in professional learning from soon after the early closure until 5pm. Tanya Gibson and Tanya Ernesti enthusiastically walked staff through The Guided Inquiry Approach to research. Samaritan College has chosen the Guided Inquiry Approach as the preferred model for the Research Project (a compulsory element of the newSACE). The Guided Inquiry is carefully planned, closely supervised targeted intervention of an instructional team of school librarians and teachers to guide students through curriculum based inquiry units that build deep knowledge.
and deep understanding of a curriculum topic, and gradually lead towards independent learning (Kuhlthau, 2007). There are seven stages: Initiation; Selection; Exploration; Formulation; Collection; Presentation and Assessment. Rather than simply 'present' the information, Tanya and Tanya lead us through a Guided Inquiry they had developed around the theme of Christmas. For many, the presentation was a great introduction to a detailed process and for others, was affirming of best practice. In time, the College will look to roll out this Approach across all year levels so that Guided Inquiry becomes the mainstream of student learning and inquiry.

A reminder that next Tuesday is also an early closure day (2pm). John Smith from the SACE office will be presenting PD to staff on how to write a Stage 1 (Year 11) Assessment Plan in the new SACE. Current Year 10 students are the first to graduate under the new SACE certificate in 2011.

PE LESSONS
As we are approaching the warmer weather I am just reminding all parents and students that it is important that we are all sun smart. For the student’s PE lessons it is vital that they are in the appropriate sports clothing, this includes socks, shoes and school hat. I would also recommend that all students bring a water bottle and use the sunscreen supplied. Practical lessons may also be forfeited due to the hot weather, if the temperature is over 38 degrees, or up to the teacher’s discretion above 32 degrees. Details of the sports summer uniform may be found in the school diary for further information.

SPORTSDAY
As you may be aware we are holding another Sportsday this year in November. In the long term we feel it will be beneficial to conduct this event at the end of the year to allow for further preparation for Spencer Gulf carnivals and will also be a great way to conclude the year. In the future there will only be one Sportsday which will be held in Term 4.

A new format has been put in place to allow the day to run smoothly, however, at the same time allow for maximum participation from all students. During PE lessons each child will be involved in heats for the Track and Field Events and the top ten competitors from each age group will be invited to compete on Sportsday. Participation points will be awarded during PE lessons for students who attempt each event. Another addition to the day are team games to allow for group involvement. Year 7’s, both continuing and students enrolled from other schools for 2010 at Samaritan College, will also be involved on the day where they will be trialling for their events during transition week and will also be invited to join in the fun.

Sportsday will be held on Friday of Week 7, November 27. In the coming weeks a timetable of all events will be added to the newsletter. We hope to see you there.

INTERNATIONAL NIGHT
FRIDAY, NOVEMBER 20 from 6.00pm

A Parents Community initiative, International Night has always been a great opportunity to gather as a community before Christmas and enjoy a friendly evening of food, wine and entertainment, for new families to meet and greet and departing families to say farewell.

For the evening to be a success, it will need to be a true community event, whereby, “many hands make light work”. Please consider helping out, even in some small way.

- Preparing a dish (reimbursement is available)
- Assisting with food preparation at the College during the day
- Donating ingredients
- Having a shift on a stall (perhaps gather a team of friends to help you – ITS FUN!!)
- Convening a stall
- Providing some entertainment – music, song, comedy, dance
- Helping with set up or pack up
- Providing equipment eg: bain marie, hot dog machine, etc (we can collect it)

If you are active in a community club and would like to run a stall independently for your club’s fundraising purposes, whereby just a small donation is made to the evening, please contact us at the College to discuss your thoughts. Our main aim is for variety and great atmosphere, so the more, the merrier. Please tear off the return slip below and return to school through your child’s care group teacher.

Thank you, in eager anticipation.
