Dear parents and caregivers

This weekend, we, as a Diocese, celebrate the canonisation of Saint Mary of the Cross in Peterborough. Bishop Greg O’Kelly and a Sister of Saint Joseph will ride by horse and buggy to the Cathedral. We will be taking some senior primary students with us as representatives of the College, to share in this momentous occasion with Whyalla and Diocesan parishioners.

Celebration of joyful occasions, challenges and achievements is a strong feature in our aim to develop the whole person at Samaritan College. Even the moments of difficult learning are celebrated, because suffering, although a difficult cross to bear, is always when we discover our depths and build capacity for further growth. It is also when we realise the value of being in community with one another. Today’s media would have us think that we are developing a ‘soft generation’, but we would beg to differ. They may not have to chop wood at 6am or trudge five kilometres in the rain to school, but instead they have other challenges that didn’t even exist in their parents’ generation. Perhaps today the challenges are less physical and more cerebral and emotive.

The technological revolution, along with greater social freedoms and increased secular influences such as the media, all play a part in influencing self esteem and identity development. Today the influence of a supportive and interactive family life couldn’t be more paramount, as we seek to be ‘counter culturist’, nurturing those value moments of dinnertime conversation at the table, persisting with dishes help (the best conversations happen when you are doing something together) and simply just taking time to be fully present to one another.

This week we celebrate our children’s gifts, talents opportunities afforded to them with music demonstrations held in the primary campuses. A part of our amalgamation endeavour has been to grow music education in the college, along with developing parity across all campuses in terms of programs offered. This week’s demonstration by secondary students will initiate the next stage of developing primary students’ musical talents (after learning recorder the last two years) with the opportunity to learn wind instruments with Miss Antilla next year. In addition, there has been an overwhelming response from families to take up music and voice tuition with Ali Hams and Mark Tempany. The ongoing success of this year’s choir students under the tutelage of Winnie Fitzgerald and Melinda Gray, along with their music and drama classes is now well supported by our burgeoning Performing Arts program.

This past fortnight we have been interviewing for 2011 staffing. It is pleasing to report that the field of choice has been positive, with Samaritan College now making itself known elsewhere as an attractive place to work. This is a result of a number of ongoing endeavours in recent years, such as our involvement in the UNISA Mawson Lakes Country Immersion Project, where we actively promote the advantages of working in Whyalla; our openness to hosting many students during their teaching practicums and our emerging teachers support program. We will inform the parent community of staff movement later this term, once all appointments are secure.

Make a joyful noise to the Lord, all the earth; break forth into joyous song and sing praises. Sing praises to the Lord with the Lyre and the sound of melody. With trumpets and the sound of the horn make a joyful noise before the King, the Lord. Psalm 98: 4-6
PARISH NEWS

This weekend there will be only two Parish Masses;

Saturday 7pm at St Teresa’s
Sunday 8am at Our Lady Help of Christians

As a parish, we have over 100 Parishioners going to the Diocesan Celebration for St Mary MacKillop at Peterborough. It will be a great day for the Diocese to be together.

Our children preparing for First Reconciliation had their first workshop last Friday. The 2nd workshop is tomorrow at Our Lady Help of Christians Church. Next week the children and their families will come to Reconciliation at the Church at their requested time.

Catholics reconnecting with the Parish

There is a six-week course commencing for people who have been away from the life of the parish for whatever reason. These sessions are on Wednesday at 7:30pm. For more information please contact the Parish on 8645 8023 or 8649 3593. All are very welcome.

Congratulations to our Relay for Life Team. It was a great weekend even though it was very wet. Well done to those who walked throughout the night. Special thanks for the generous support we received and for the wonderful money raised throughout Whyalla.

RELIGIOUS DIMENSION

During this week the Church has celebrated All Saints Day, All Souls Day, Saint Martin de Porres and Saint Charles Borromeo. Given the recent inclusion to the list of saints, our own Mary MacKillop it is worthwhile taking a moment to wonder what is a saint?

The word saint comes from the Latin ‘sanctus’ meaning holy – so essentially a saint is a holy person.

Saints are not removed from the reality of daily life, rather they rise to the challenges presented with a caring and compassionate heart, always listening to the voice of God, striving to do His will. A saint uses his or her talents for the benefit of humanity, spurred on by a deep love for Jesus which is nourished by participation in the Eucharist. Saints are not materialistic, far more important to a saint is an active prayer life rather than a comfortable life with the ease granted by a materialistic culture.

Biblically a saint is a holy person set aside by God to do His work.

Different Christian organisations have different criteria for what they call saints. The Catholic Church has specific procedures for declaring a person a saint, as we witnessed recently in the celebration of Saint Mary MacKillop.

The daily challenge to Catholics around the world is: how are you going to be saintly today?

**Parenting Ideas**
**by Michael Grose:**
**Raising Kids To Thrive!**

“If we are to prepare children adequately for the future then parents need to take a step back and provide an environment that develops their confidence, their character and their resilience.”

Currently there’s a great deal of confusion about the best way to raise kids. The perception that the world is a dangerous place is causing us to closet or over-protect our children. We have a greater propensity than our own parents did to satisfy our children's material demands, so we run the risk of raising an indulged generation.

Many children grow up with an exaggerated sense of entitlement to rights, freedoms and goods, which are often way beyond their means or grasp. In wanting what's best for kids we do run the risk of doing too much for them, giving them too much and also removing all risk from their environment.

If we are to prepare children adequately for the future then parents need to take a step back and provide an environment that develops their confidence, their character and their resilience.

It is these three qualities that will enhance children's prospects of future success in all areas of life, including their relationships, their family and their future working lives.

The development of one impacts on the others. When kids develop a greater sense of self-confidence they usually behave better and they are more likely to bounce back from setbacks, particularly social injustices.

**Confidence**

Confidence is about taking your rightful place in the world and grabbing your rightful space. It is about making the most of the opportunities presented to you. Confident kids take more learning risks and are likely to challenge themselves more than kids who are low on confidence. They are less likely to place limits on themselves or their achievements. Confidence is so crucial today as so many kids are anxious and fear failure.

**Character**

Character refers to the attitudes and behaviours a child develops that maximise his or her success. Personality may attract initial attention but it won't guarantee success. Character more than likely will. Character has greater substance and depth. The development of depth of character in children is at the heart of effective child-rearing. Character is about doing what's right, not what's easy!

**Resilience**

Children need to be resilient. They need to be able to bounce back from life's bigger and smaller setbacks. They need to experience the gamut of emotions that come with loss, failure, disappointment and other childhood hardships, frustrations and difficulties they routinely face so they learn they can cope when life doesn't go their way. Resilience is linked with good mental health habits and also with a child's success.

These three qualities don't develop in a vacuum. They may develop by accident but I wouldn't count on it. They best develop in an environment where parents purposefully adopt principles and techniques that promote them. Using large family principles is at the heart of the thriving way of parenting. It's not a return to the past. Rather, it's recognition that if we are to prepare our children adequately for the future, then we need to step back and provide an environment that develops their confidence, their character and their resilience. These qualities will enhance children's prospects of success in all areas of life in this constantly changing world. Parents can find out more about the Thriving Way of parenting in my new book "Thriving! Raising exceptional kids with confidence, character and resilience." It’s available at www.parentingideas.com.au
International Night is on Friday, November 19 at Saint John’s Campus. It is a great opportunity for parents and friends of Samaritan College to gather together for an entertaining evening.

We need the help of many people to make it a success.

There are various ways in which you can help. As well as attending the International Night some of the things that you could do are:

| + assist with food preparation during the day | + help with setting up or packing up |
| + donate ingredients | + prepare a dish or |
| + help on a stall | + convene a stall |

Please complete the help needed insert in this newsletter and return to any campus.

It is always an evening not to miss!

CLASS PLACEMENTS 2011

Thank you to the parents who have contacted me with requests for their child’s placement in 2011.

In collaboration with the teaching staff, the leadership team will endeavour to meet you request, if it is in the best interests of your child and if it is possible.

**YEAR 7 TRANSITION INFORMATION**

**Afternoon Visit**

Year 7 students undertake their first independent transition visit to Saint John’s Campus tomorrow. Samaritan students will be bussed to Saint John's Campus. Students are to meet Mr Keating at the Rotunda near the administration entrance to the school promptly at 1:45pm. Tour groups, led by Year 8 and Year 11 students, will begin at the end of lunch time and students will be dismissed at the end of the day (3:25pm).

**Involvement Day**

Meet at the Rotunda at 8:30am on the day allocated. Students will be dismissed at Saint John's Campus normal finishing time of 3:15pm.

Students are to:

- wear school uniform including hat
- bring pencil case and writing pad or exercise book
- bring packed lunch and recess, or alternatively, orders may be placed at the canteen during caregroup time

PE WEEK

National PE Week is happening in Week 5 and the primary campuses have a lot of active sessions planned! Our College is very focused on developing active and healthy lifestyles of our students and their families. This is a fabulous opportunity to pop in to the primary campuses and have a look at what goes on each day. The students would love to display their active skills and share their knowledge about active and healthy lifestyles.

Please feel free to visit either campus throughout the week and join in the active fun or cheer on your child as they participate. For more specific times you can refer to the letter sent home earlier this week or call either campus office. **There was an error with the modified canteen list sent home to OLHCC families. Please note there will be NO BAKED POTATOES AVAILABLE. Sorry for any inconvenience.**

NUDE FOOD IDEAS

Here are a few suggestions for the Nude Food Day on Thursday:

- A fruit plate eg; sliced melon, grapes and oranges
- Wholemeal crackers, vegetable sticks and dip eg; hommus or salsa
- Fruit or vegetable pikelets, scones or mini muffins
- Fruit bread or fruit buns cut into bite-sized fingers
- Mini vegetable frittatas with added vegetables.
- Top english muffin halves with lean ham, tomato, pineapple and grated cheese and grill until brown.
- These make a great addition to any lunch box and many children love cold pizza!
- A nibble pack of dried fruit and cheese pieces

FESTIVAL CHOIR VISITS THE ELDERLY AT ANNIE LOCKWOOD COURT

Last Tuesday the Samaritan College Primary Festival Choir headed off to Annie Lockwood to sing. The students’ repertoire included ‘Heal the World’, a medley from Simon and Garfunkel and a selection of Christmas songs.

The students sang beautifully with an opportunity for Alana Bray, Bonnie Taylor and Georgia Davidson to sing solo parts. The residents at Annie Lockwood couldn’t keep the smiles off their faces and it was wonderful to see them joining in and singing.

After the performance the students mingled and chatted comfortably with the residents and presented them with flowers and cards they had individually made. It was a lovely afternoon of thoughtfulness, friendship and time shared between our students and the residents of Annie Lockwood. As one of the students so intuitively said, “this is our gift to them” – how simple, how important and how very special for all of us.

PREMIER’S READING CHALLENGE

Congratulations to all the students who completed the Premier’s Reading Challenge in 2010. The certificates and awards will be distributed over the next week.

The Premier’s Reading Challenge is now in its seventh year and more than 7,000 students, state wide, will be receiving the Hall of Fame medals. These students started the challenge in 2004 and have completed the challenge every year since it began.

To recognise this fantastic achievement, all students receiving the Hall of Fame medal have had the opportunity for their name to be included in the new Hall of Fame Honour Roll on the Premier’s Reading Challenge website. Every year, the new students who achieve Hall of Fame status will be added to this honour Roll.

From 2011, the new Hall of Fame Reader for Life award will be presented to all students who complete the challenge for eight years or more. The award is a gold embossed certificate which will be personalised with each student’s name and the number of years they have completed the challenge.

Keep up the great reading everybody!

SAINT JOHN’S CAMPUS SPORTS DAY

CANTEEN

Friday Week 7, November 26 is our annual campus sports day. I am writing to see if any parents or caregivers are interested in donating some time to help with the canteen. This year we are making the move out to Jubilee Park to use the Little Athletics facilities. They have kindly donated their canteen but I am looking for people to help run it. If you can spare the whole day or even an hour or two please contact me (details below).

FIRST AID

Unfortunately Saint John’s First Aid ambulance is not available for our Sports Day this year on November 26. I am seeking parents with a minimum of senior first aid to volunteer their time to assist with any minor injuries which may occur on the day. You will be required from 9:00am till 2:00pm. If you can be of assistance please contact me (details below).

Thank you.

YEAR 10 RETREAT

Year 10 Retreat took place on Thursday of Week 3. This year marked a return of this event to the Point Lowly Cottages. Students worked throughout the day in their designated groups through a variety of activities encouraging personal reflection. The day culminated in a BBQ lunch and sandcastle building competition, proudly won by the industrious students of 10 White.

As students returned to Whyalla I am confident that the students will have happy memories of this day to take with them on their journey.

A special thank you goes to Mrs Angela Rogers for her assistance in running the day and to the Year 10 caregroup teacher team of Mr Tariro Ndoro, Miss Kirby Howell, Miss Kate Nolan and Mr Matthew Quist for their enthusiasm throughout the day.

HAIR

We have had a couple of unusual student haircuts in the first few weeks of this term. The diary is very clear about what is unacceptable and in these instances the breach was clear cut (excuse the pun). Whilst we can not make the hair instantly grow back, students who breach the hair regulations will have a range of consequences put in place.

YEAR 7S

It is that time of year when the secondary campus welcomes the arrival of the Year 7s for their Transition activities. These begin tomorrow with an orientation visit and continue over the coming weeks including a Parent Information Evening on Tuesday, November 23.

EVENTS

Term 4 brings with it a range of very exciting and different events that involve a wide range of the College community. Please check your calendar or our website for events such as Year 11 Final Mass, Year 9 Outdoor Living Camps, Year 10 Surf Camp, International Night, Year 7 Parent Night, Sports Day, Graduation, Prize Night, Civics Fair, Year 11 Leadership Day and the list goes on.

REMEMBRANCE DAY
