Dear Parents/Caregivers,

And so I prayed, and understanding was given me; I entreated, and the spirit of Wisdom came to me. I esteemed her more than sceptres and thrones; compared with her, I held riches as nothing.

Reading 1, Wisdom 7:7-8

As our Year 12s’ year comes to a close and they approach their exams, we pray that they may be entrusted with the spirit of Wisdom to draw upon their years of education to place them in the community as well rounded citizens of whom we are proud.

Welcome Back to Term 4, and I know we say it all the time but the year is going very fast. We welcome all new families to our College and trust that your time with us will be fruitful.

With the onset of our warmer weather we are now in full summer uniform, however, some students may have grown and therefore have dresses that may be too short, we urge that you check the length of your daughters dress and if too short alter it to just above the knee despite the fact that they will tell you everyone else wears it at that length. Another myth to be busted is that they have sport every day, the fact is they don’t, it would only be once or twice a week. We encourage you to make sure your child is not wearing their sports uniform every day.

Terissa and Damien are enjoying their pilgrimage to the Holy Land, which ends this week with the return of Terissa on Monday. It has been a whirlwind trip but inspiring. Terissa emailed to say they have had a time of enlightenment and are in awe of the History and religious significance of the area. As is always the case when you visit other places of the world you build an appreciation of what you have at home and Terissa highlighted freedom as being a privilege she valued greatly.

A view overlooking Jordan taken by Terissa.

It is hard to believe, I know, but International Night is just around the corner and attached to this newsletter is the flyer for you to consider. International night is always a very good family affair with interesting food to taste and performances to keep you entertained. To make the night a success we require helpers and donations, so if you are available or have something to offer please get your reply in immediately to assist with the organisation. Any assistance would be gratefully received.

October is Mission Month in the Catholic Church in Australia. It is of particular significance that on October 23 and 24, relics of one of the greatest missionary saints will be coming to our parish. A relic of St Francis Xavier, a founder of the Jesuit Order and missionary to India, Indonesia, the Philippines and Japan will be present in our churches and the Emmaus Chapel at Saint John’s Campus.

The veneration of relics, the bodily remains of deceased holy men and women is a very ancient tradition in Christianity and many other world religions. It is a means of honouring the lives of these people and recalling their faith and commitment to God. In the Catholic Church we also ask them to pray to God for us as they continue to devote themselves to God as the Communion of Saints in heaven. We believe that they remain actively connected to those of us who are still here on earth as the perfected part of the Body of Christ of which each Christian, living and dead, is also a part.

You may remember the visit of the relic of St Therese of Lisieux in 2002 and the heartfelt reception with which it was received. Hundreds of people from all over the diocese came to reverence her remains, contained in an elaborately presented reliquary; a holder for protecting relics. The relic of St Francis is the right arm which he used to baptise and bless tens of thousands of converts in his ten years of travels in Asia.

At the age of 35, in 1542, he set out from Portugal to minister to the Portuguese merchants and sailors in Asia who had become more occupied with making money and living immoral lives away from their extended families and communities back home. Francis was appalled by their example and treatment of the people in India and set upon preaching and teaching the local people. He was a gifted and charismatic person who, despite his difficulties with learning new languages, soon attracted large followings, founded Christian communities and local churches. From there he saw it his mission to take Christianity to other parts of Asia concluding with two years in Japan where he left six new Christian communities and 1,400 new converts.

The relic of St Francis will be present at Our Lady Help of Christians’ Church from 2:00pm until 9:00pm on Tuesday October 23, St Teresa’s Church from 7:00am until 12noon and the Emmaus Chapel from 12 until 2:00pm.

We believe this is a good opportunity to recognise one of our great saints, a patron of what was once St Francis Xavier College at the present St Teresa’s Church site, and to learn more about this incredibly faithful missionary of Christ.

**JUST FOR TODAY:** Make a list of everything you like about your partner or a close friend and pray a litany of thanks.

Eg. For Mary’s joyfulness. Bless her in your grace.

For Mary’s generosity. Bless her in your grace.

**JUST FOR A WEEK**

Offer a prayer before starting work
O God come to my/our aid.
O Lord make haste to help me/us. Glorify me to the Father, and to the Son and to the Holy Spirit.
As it was in the beginning, is now and ever shall be, world without end. Amen.
Yesterday the Staff of Samaritan College spent time completing training in Responding to Abuse and Neglect of Children. This most important work is our core business as we are charged by the Catholic Education Office to ensure all children in our care are safe and receive the appropriate care if they are not safe. This training is a condition of employment and teachers cannot be registered to teach if they have not undergone this training. All staff members in fact need this training no matter what their role in the college.

It is not only a requirement but it is a way of celebrating the life of the students in our college. Each person is a gift to be treasured and is graced by the love of God. When we look at our students and you look at your children we see the face of Christ as we do in all people we meet. The need to look after the precious gift, that is each student, is not only mandated by our education system, it is also a call as members of God’s family to care for the innocent and vulnerable in our community.

In this year of Grace we are reminded to invite God’s love to work within us and open our hearts to receive Christ and live his love as the Body of Christ. We are called to live our daily lives with Christ at the centre of all we do and pay attention to how Christ is present within us.

So in all we do, we make the care and wellbeing of children, colleagues and families our priority because in this year of Grace we are reminded that Christ is within each of us and such a gift requires careful nurturing and attention.

This term there is lots to look forward to and celebrate in the Murray Venture for Year 10 students, the Annie production, Exams and the last few weeks of school for our Year 12 students, NAPLAN results, an enjoyable term with class mates and teachers and everything else that goes with life in the College. We pray that Christ can be at the centre of all that goes on and we can recognise and name those times when Christ is truly present for each one of us.

**ELECTRONIC CALENDAR**

Parents and students are invited to check the College website for a link to our new electronic Calendar. Since the start of the year, when the Samaritan College “Forward Planner” was distributed, there have been various changes. By providing the community with access to an electronic version of the calendar the College aims to provide more up-to-date and detailed information regarding upcoming events.

The calendar is divided into different sections to allow families to get information that is most relevant to their circumstances. These can be selected from a drop-down menu in the top right of the calendar and are entitled “All Campuses”, “OLHC”, “Primary Campuses”, “SJC” and “STC”. For example a family with children that have finished their primary schooling would only require information from “All Campuses” and “SJC”, where as a family with children at Our Lady’s and Saint John’s should select “All Campuses”, “OLHC”, “Primary Campuses” and “SJC”.

It is anticipated that throughout the term information will be added to an event as it becomes available. This might include things like times for a bus departure or return, as well as the emergency contact number for when groups of students are on camp. Whilst the calendar will not take the place of letters that are sent home it will provide another avenue through which parents can seek reminders.

The College would appreciate any feedback or questions from the community regarding the electronic calendar which can be sent to info@samaritan.catholic.edu.au with “Calendar” in the subject.

**SECOND HAND UNIFORMS**

A reminder to those wishing to receive credit for second hand uniforms, that only uniforms of good quality will be accepted. **The uniform shop reserves the right to REJECT uniforms if they are stained, marked with sweat or have holes.** All second hand clothing is to be presented clean and ironed. **Unwashed, crumpled uniforms will not be considered.**

Parenting Ideas by Michael Grose:

Give your parenting a spring clean

With spring in the air there is no better time for a little parenting spring clean to make sure you are on track to raise happy, confident and resilient kids.

Every parent I know wants be the best parent they can be. Yet despite the best intentions it’s easy develop poor parenting habits that don’t do our kids any favours. With spring in the air there is no better time for a little parenting spring clean to make sure you are on track to raise happy, confident and resilient kids.

Here is a checklist of 10 parenting ideas designed to help you put some psychological muscle on your kids:

1. Encourage effort and improvement more than results: Descriptive praise is better than generalities. Better still, as kids get older focus your comments more on effort, improvement and contribution than on results. And don’t make your kids reliant on what you think about them as their source of self-esteem.

2. Get kids to help without being paid: A little payment for jobs is okay, but don’t go overboard. Teach kids what’s in it for ‘we’ not ‘me’. By the way, the use of rosters is a great way to get kids to help.

3. Balance free time with organised time: For learning reasons (kids learn a lot when play and activities are self-directed) and mental health reasons make sure kids have plenty of MOOCH time.

4. NO deals with kids: If you bribe kids to behave well you teach them that they get what they negotiate. That’s hard work in family life. Better to give them a treat after they’ve behaved well as a show of appreciation rather than make their good behaviour contingent on a reward, also known as bribery.

5. Train your kids to speak for themselves: Give your kids the words they need to speak for themselves in all situations including when they are not with you.

6. When kids can, they do (make lunches, get themselves up, etc): Sometimes we do things for kids that make us feel like a mum or a dad. Your job is to make yourself redundant as a parent so teach your kids to do/make/speak for themselves and work your way out of a job. NB: You will never become redundant as a mum or a dad.

7. Don’t give them things just because they ask: Character is built through impulse control. Resist giving them what they want even if you have the capacity to do so. Waiting, saving and goal-setting are admirable skills that are developed through scarcity.

8. Give kids a chance to sort out their fights and squabbles: The default mechanism for most sibling conflict is compromise. We’ve just got to give kids a chance to work things out themselves. There are legitimate times to get involved but we need to know what we are doing and why.

9. Use consequences to develop responsibility: Don’t rescue kids when they leave that school lunch at home, when they are late for school or they are less than pleasant to another child. Allow consequences to teach your kids the important lessons of life. You mess up sometimes but you can make up and/or move on – and you can learn from the experience.

10. Put the camera down – be in the moment: Make sure your mind is where your body is and be fully present when you are with your kids. Take more mental pictures than photos and build their family memories.

This checklist is designed to stimulate some thinking and conversation about your current child-rearing practice. It’s not intended as a template for good parenting. It may even stimulate you to do less of some things and more of others. Incremental change is how we become better at most endeavours, including raising children.
Welcome back to all our school community and in particular, our new Reception children and new families who have moved to Whyalla during the holidays. We trust that students have taken the opportunity to rest and enjoy some time away and have returned refreshed for another action packed term of active learning!

We welcome the new Reception children, and their families, to the primary campuses this term.

SECONDARY CAMPUS NEWS

Welcome back to all our families for this the final term of 2012. I would like to especially welcome our new students and new teacher Mr Dale Raymond. May their time at Samaritan College be both an enjoyable and rewarding time.

YEAR 12S

For our Year 12 students this is their final term of formal schooling, in fact next week is their last week of formal lessons. With examinations looming for some and major pieces of work due for others it is really a very stressful time of the year. The teachers and staff of Samaritan College wish to see all of our students achieve their goals, and to assist them all of the Year 12 teachers are happy to offer extra assistance at the school when asked.

If the students are coming in for extra help, to submit a final piece of work, or for their examinations it is appropriate for them to wear their College uniform and in some instances phone the office to ensure that the teacher is available.

Hopefully all of our final year students have considered what they will be doing next year. For many of them this might include going to University or TAFE. The tables below re-iterates the information provided through the education night regarding key dates for applying to University and current information regarding key dates for TAFE.

GRADUATION AND PRIZE NIGHTS

Although still a few weeks away these are events that usually sell out fast. The Graduation Night is being held on Thursday, November 29 and the Prize Night on Monday, December 3. Tickets are not yet on sale for these evenings, however, keep reading the newsletter for updates regarding the sale of tickets.

UNIFORM

It is pleasing to see that the students are in the correct summer uniform for the term. Unfortunately however after a break of two weeks students seem to need reminding of the expectation regarding jewellery. They are allowed a watch, one plain small stud or hoop earring in each lobe and any necklace should have a religious symbol on it but should not be visible. We appreciate all parents support in assisting us to maintain the standard of uniform that the College expects.

SUBJECT COUNSELLING

This is an ongoing process and students who are going into Year 11 and 12 will be spoken with in the next few weeks regarding the current state of the subjects that they have nominated.

Please feel free to contact me with any SACE related queries or concerns at the College during office hours. The Newsletter will be a valuable source of information in the coming weeks so please check it weekly so see what is happening in the SACE world.

Stage 2 Predicted Examination Results

Predicted Examination Results are due to the SACE Board on Friday, October 19. This result will be used if a student is absent from an examination (with acceptable reasons) or becomes ill during an examination. This result is based on evidence collected by the teacher about how the student performs in the examination situation. Students should not be privy to this information.

Stage 2 Visual Arts – Art and Visual Arts - Design

Assessment results for these students are due to the SACE Board by Friday, October 19. In order to put final checks in place all assessment results must be finalised by Tuesday, October 16.

Stage 2 Solo Performance

The practical component for this subject will be examined on Tuesday, October 16 at Edward John Eyre High School. We wish these students all the best!

Until next week!

A wonderful and busy community event, the International Night has been running successfully for 15 years because of the extended parent community contribution and support.

This is an early call for people to convene, cook, serve or help in any other ways for a period of time on the night, or in preparation during the day.

Many parents offer their services for this event, as their ‘one-off’ contribution in a busy family schedule. There is something there for everyone! We also encourage community groups to have a stall as their own fundraiser, with 10% going to the Samaritan College Community.

Please fill in the coupon below to indicate your early offer of help. This terrific night only happens because of your help!! Why not ask a friend to help out and make it a fun night.

We will contact you midway through Term 4 as we develop the roster.
