Quick access to SACE Results

To make sure you can access your Stage 2 results ASAP on the day they’re released, check you can log in to Students Online on the SACE website.

To get to Students Online, go to sace.sa.edu.au and click on the pink Connect tab. Then go to Online Tools, click the Students Online link at the bottom of the page and click on Access Your Results.

Now check that you can log in using your SACE registration number and PIN. Your SACE registration number is a six-digit number followed by a letter (e.g. 123456A).

If you can log in, you’re all set to check your results on the day they’re released. If you have forgotten your PIN, click the link underneath the login box. You will be required to fill in a form, and the SACE Board will reset your PIN.

Your PIN will be reset to your date of birth, in the format DDMM. For example, if you were born on June 4, your default PIN would be 0406.

If you are still having trouble logging in, contact the SACE Board on 8372 7412.

On the day results are released, requests to reset PINs may incur a short delay, so check you can log in to Students Online at least a week before results are released on Thursday 26 July.

For more information about accessing your results, visit the Students and Families section of the SACE website and click Results.
