Sandshoes should be the appropriate style for the sporting activities undertaken. By way of example: general running, track and field shoes are appropriate for the range of sporting activities. To protect students' physical health and stature, **other leisure shoes are NOT permitted.** For example only, (but not exhaustive or conclusive of all possibilities) high-sided basketball boots, casual volleys or skate shoes are inappropriate for general sporting activities. Also not permitted are shoes in extreme colours, such as predominantly black, red, blue or psychedelic, as examples, and other extremes of style and colour.
